1974

artisan

Adeline Lors Garran Jones

To Mrs. Jones
A very nice teacher who help me
improve in my work good luck in the
future, and I wishes you have a very nice
summer. I hope to see you next year.
Love Always
Clarence Anthony Jr.
class 7-5.

To Mrs. Jones
A very fine lesson
you are stay like
that?
Love Anthony Jr.

To Mrs. Jones
A very lovely lady and I hope
you stay the same in the years
to come. You have been a
great help to me and I
thank you for it I will
see you next year.
Thank You
Good Baby
Love Always

To Mrs. Jones
It was very nice
working with you and
Mrs. Robertson. Thanks
for sharing your facilities.
Rochelle Dawson
Speech Therapist

S000997

To Mrs
Jones a very
nice teacher
the Best teacher
at Manual. Remember
me always
Patricia Francis
1765

To My Favorite
Teacher hope you
have much Succss
With your next years tutoring
Program as you did with this
Years tutoring but I know it won't
be better because I won't be in
it well Good Luck anyway
Remember always
Yours Truly
Linda Butts
"Hi"

To a nice
Teacher that I
have to have her
care. Mrose Ledges

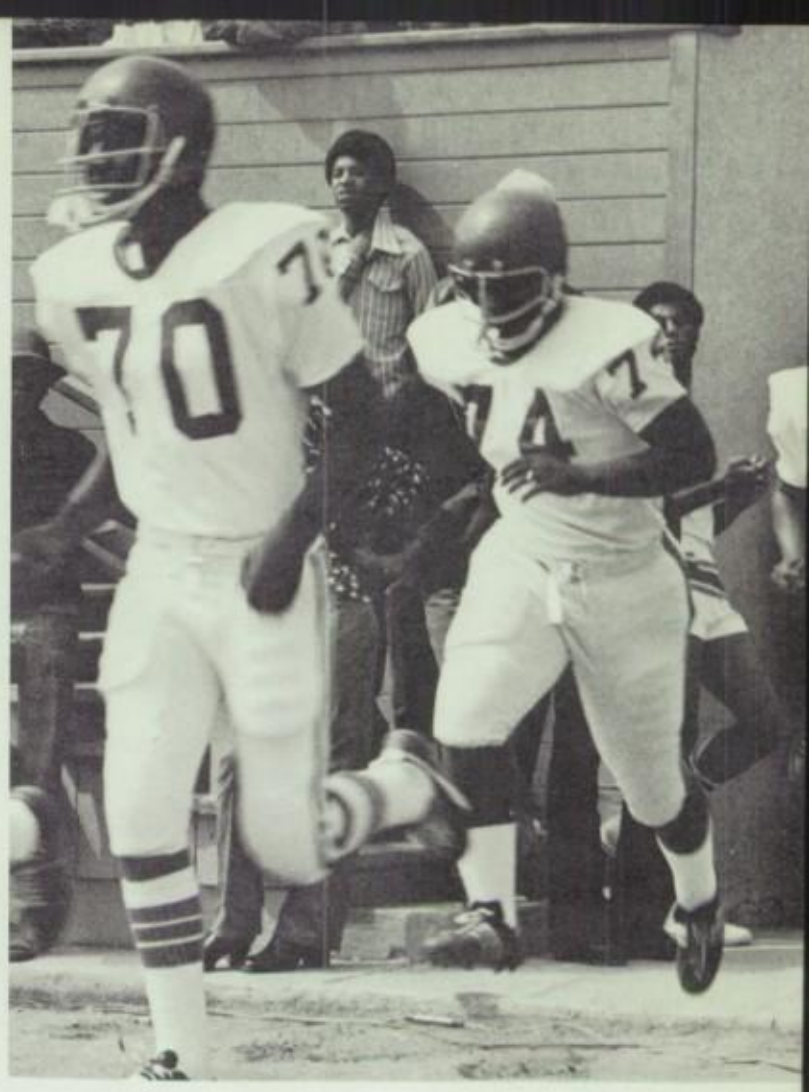
What's your style?

Drill Team on the move!

Manual's will power...

Young ladies can play also.

Smile you're on candid camera.



WARMING UP FOR THE 1973-74 — SEASON

Time out for a picture.

Making plans to win.

Once around the track does it.

Slangana

Wakimbees

We dedicate

our Senior Section

to the following people

whose lives meant so very

much to our hearts.....

WHAT WE DARE TO DREAM
WE DARE TO DO

Remember now,
Remember then,
Remember when
We first began...

We came to accomplish as much as we could,
And now to leave with knowledge well understood...

Once we dream this day to come,
Is '74 really the one?
We're the ones with the matured minds,
With loads of understanding of all our pastimes...

Now we're leaving all that we've acknowledged
To those who understand...

We started from the bottom;
Our goal's to reach the top.
Shangana Wakimbees never will stop...

To a school that really meant well,
Farewell, Manual Arts!
And may the Shangana Wakimbees
Always linger in your mind.

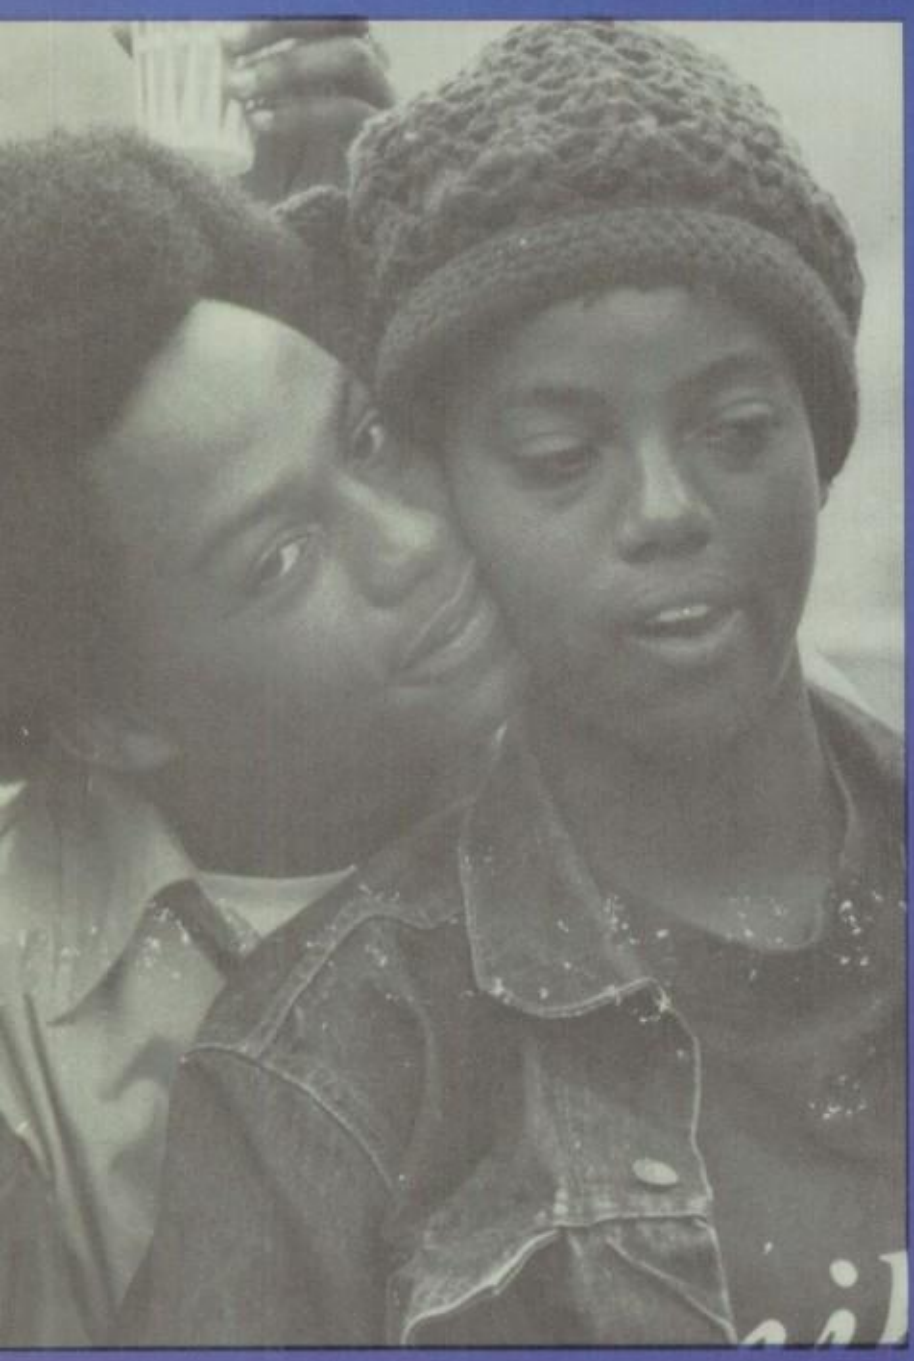
By LaNita A. Williams

&

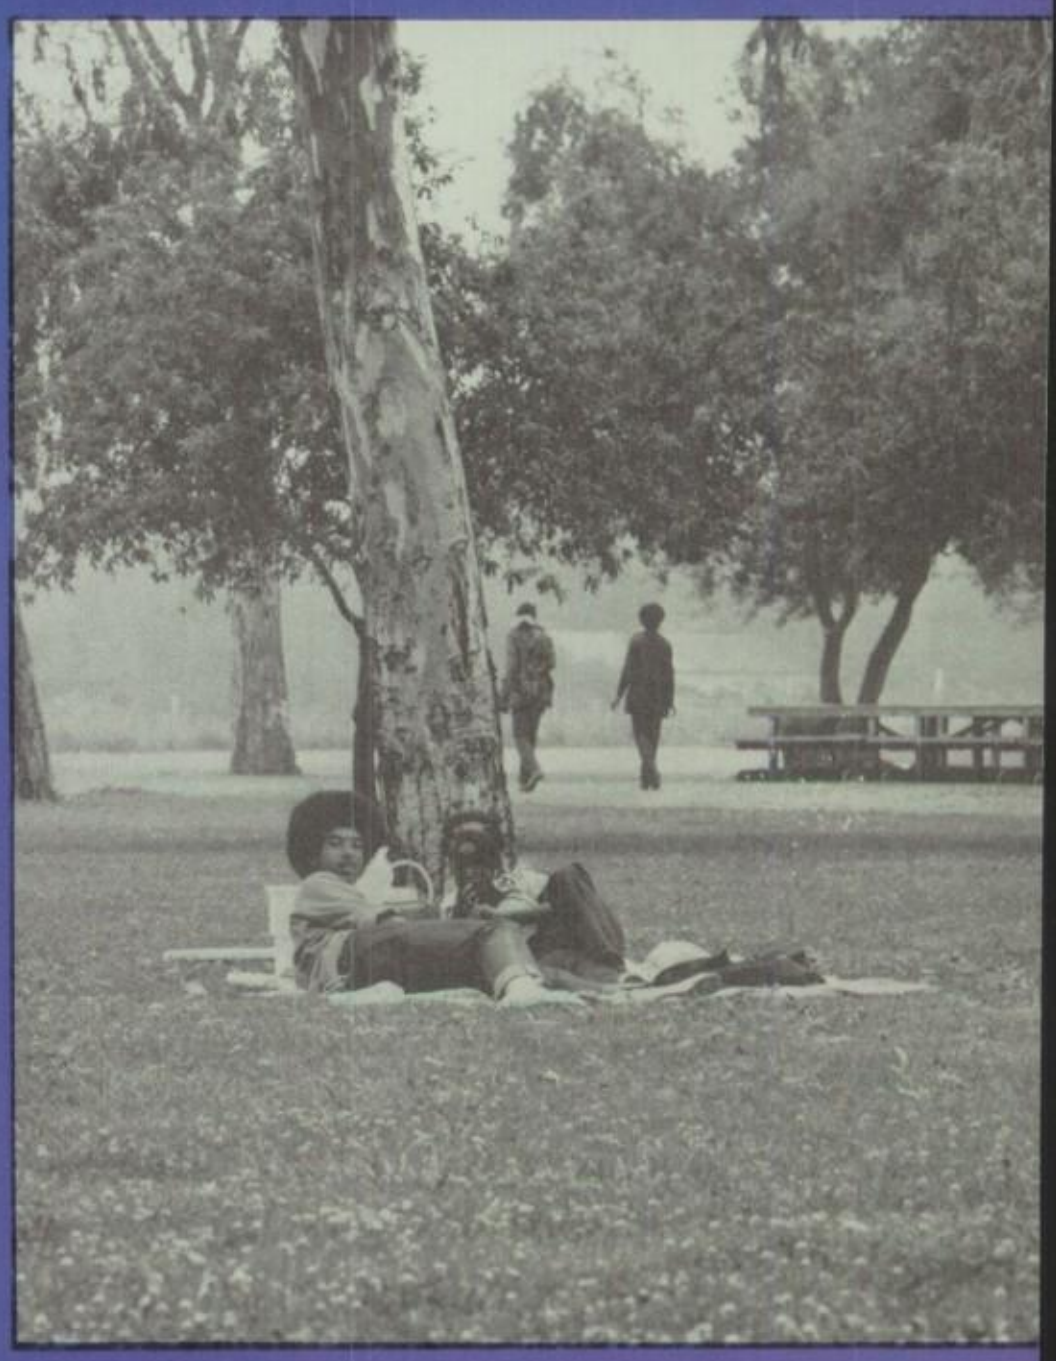
Fletcher Fair

Freda knows where her love is.

SENIOR LOVE IS HERE TO STAY FOREVER AND A DAY!



Maurice gets all the sweet women.



David caught in the act.

THE CLASS OF "74"

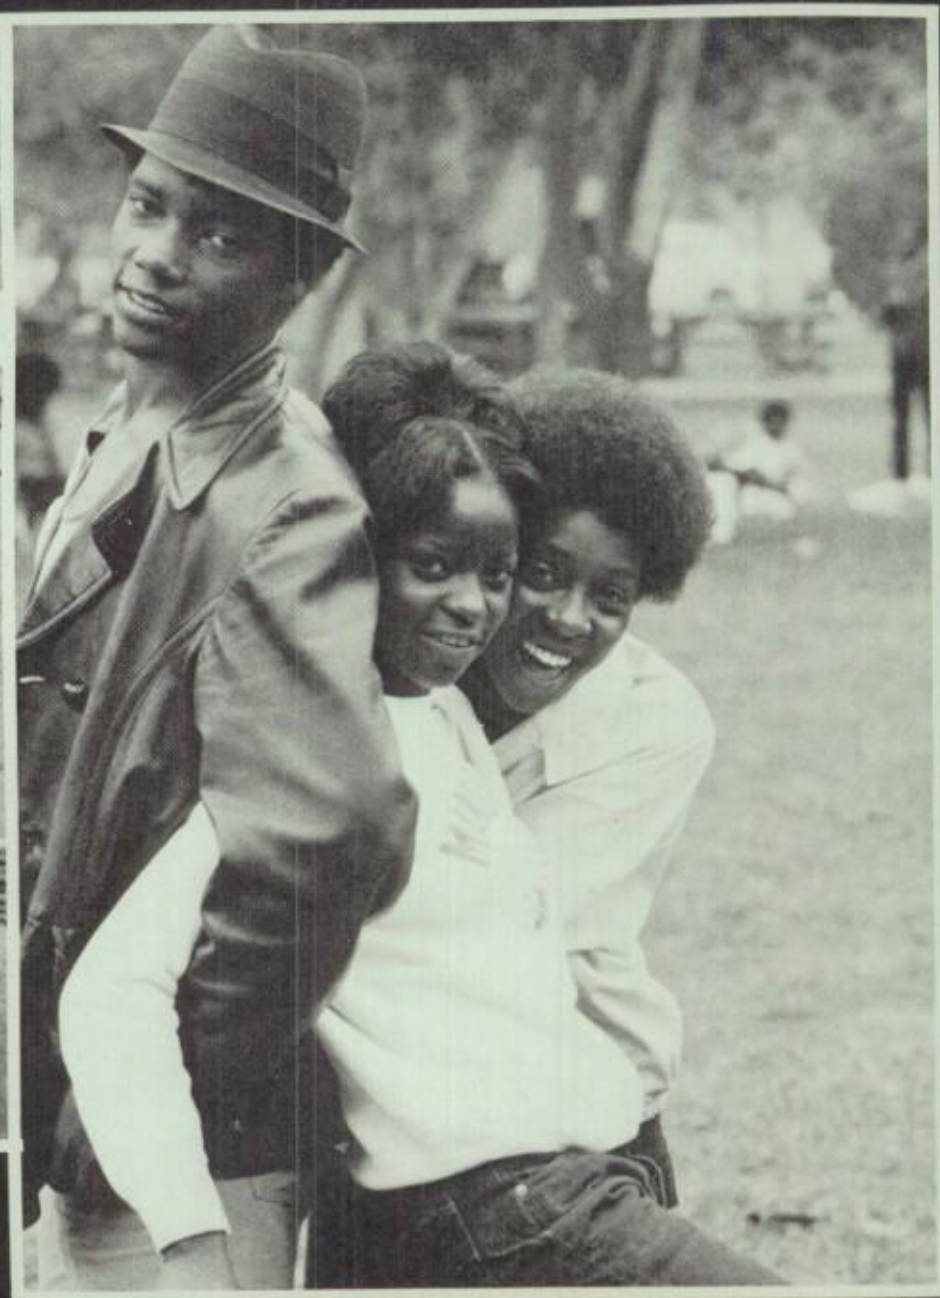
A special person enters each and everyone's life. The Artisan Staff has left a place for that special one's signature.

ARE LOVERS

Photograph of that special one.

Fools will be fools at all times!

Wait... I got it



Alvin says, "Buses are just like women; miss one, catch another"

LONG AGO WE WERE SOPHOMORES...

Mims alone again. . . Naturally.

Even the young ladies get the munchies.

Photos Taken Jr. Picnic
Hansen Dam, May 19, 1973

BUT THEY'RE ALL JUST SENIOR MEMORIES!

Miss Wendi taking a cat nap.

VARSITY - A PROMISING TEAM FOR THE FUTURE

The 1973 season started for the varsity in August on Wilson Field, and, before it was over, some unusual things happened. There were, as always, winners and losers. It was often difficult, however, to determine who was what. The old Manual teams seemed to be no more. Teams that used to stand up against the great Manual varsity teams of the past suddenly turned it all around.

The Toiler team opened their regular season against Centennial. Tailback Bernard Harris had his best day as a football player as he danced for 124 yards that night. Yet with all that going for them, the Toilers lost their opener 12 to 0. Coming to San Fernando the following week, it was the same thing. They were hitting hard, but it just wasn't enough. The Toilers also lost to the Tigers 21 to 0. Looking for victory, they challenged Carson City in their final pre-season game. The Toilers played poorly, and Carson took advantage of it. The Colts swarmed by Manual 53 to 0.

Hitting league play with determination, the Toilers went to Washington High. Tight end Richard McNair had it great that day as he caught passes for 138 yards. That wasn't the only thing that happened that day. Quarterback Tommie Douglass put the first Toiler touchdown on the board on a one-yard run. However, the Toilers fell to the Generals 21 to 14.

Homecoming found the Toilers facing the Dorsey Dons with high spirits in one of the most exciting games of the year. With the queen and courts and crowded stands looking upon the gridiron, the Toilers fell in defeat in a hard-hitting game defensively. Offensively they scored only 6 points, but they still gave the crowd a stand-up kind of game. With a tenth grade halfback starting for the Toilers, the rushing game was ideal, as Maxie Hamilton, who filled in beautifully for injured Bernard Harris, scampered for 123 yards. The only score for the Toilers came on a seven-yard pass from Marcus Williams to Gregory Taylor, who made a great catch in the corner of the end zone. The Toilers, however, lost the game to the Dons 38 to 6.

The rest of the league games also ended in defeat for the Toilers. All that remained to be said about the 1973 season was that the Toilers were a very young team -- a promising team for the future.

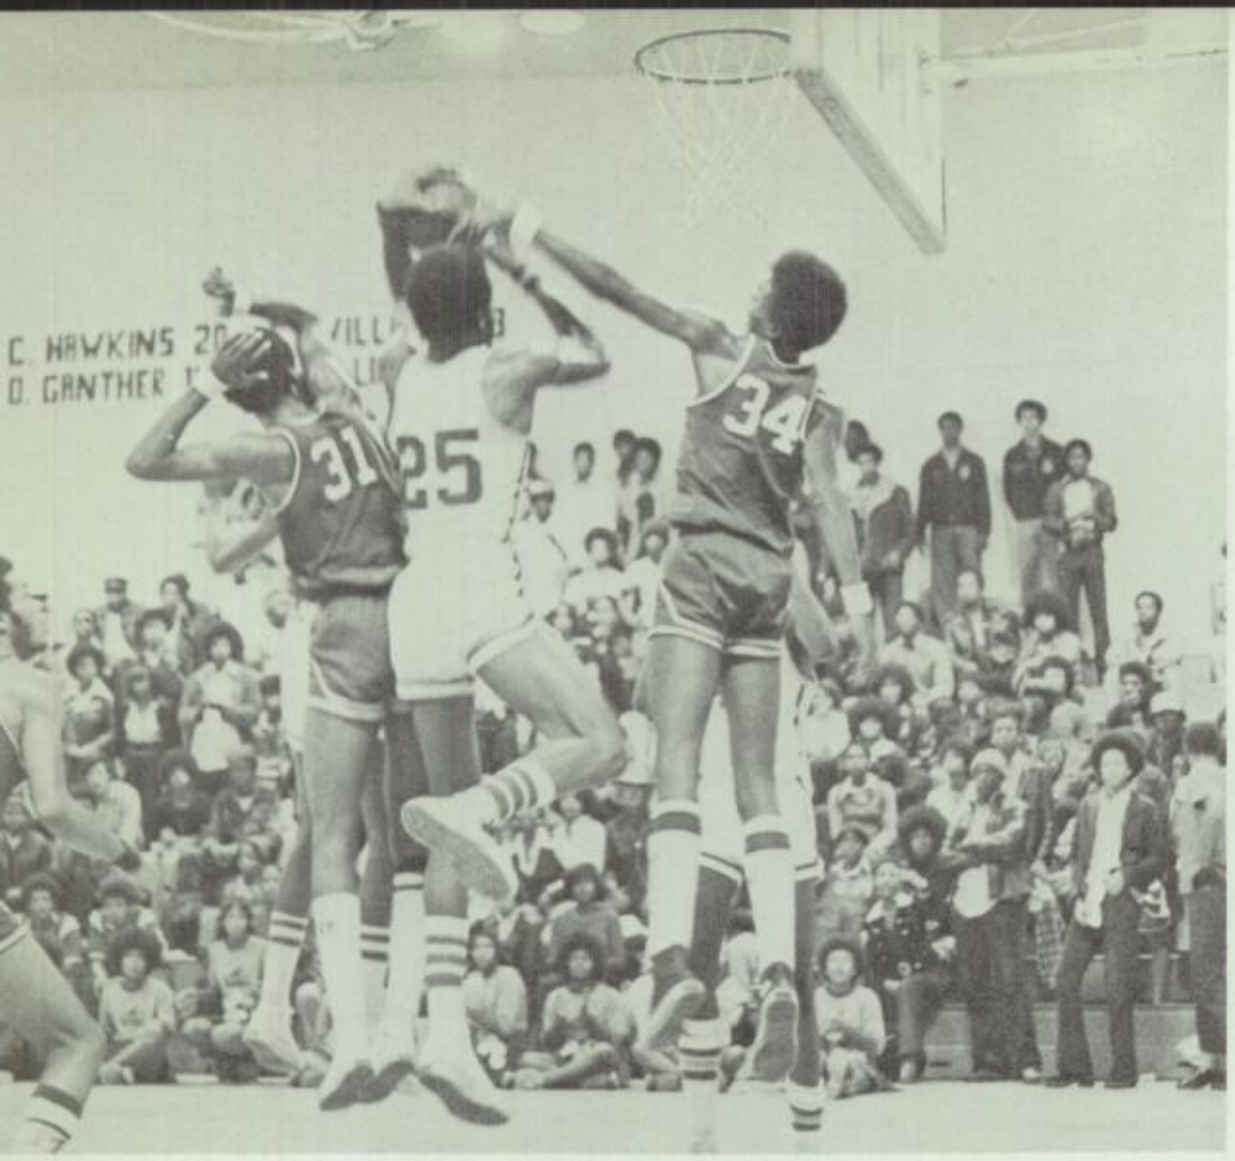
BASKETBALL



Auty Williams (34) shows Ward of Fremont it's not as easy as he thinks.

Terry Bemore (the Hawk) holds up ball and prepares to deal on defensive man from Fremont.

The 1974 Manual Basketball team had its best season since 1968. (That was the year that Manual took city.) This year, Coach Lionel Harris led his Purple Gang to a 19-4 record and a play-off berth.

The Purple Gang began the Christmas Tournament at Alhambra High School. The Toilers swept all four games to win the tournament championship. They also had great success in winning yet another championship in the Eagle Rock Christmas Tournament held at Eagle Rock High School. The Purple Gang defeated Huntington Park by a score of 107-48. In the semi-finals they defeated Roosevelt by a score of 101-66. In the championship finals the Toilers had no problem in defeating University for the second straight time by the score of 75-58 to win the Eagle Rock Championship. Pre-Season began with the Toilers facing University for the third time, and for the third time Manual increased their winning record. The following Friday, January 11, the Toilers faced Hamilton, but still the mighty Toilers were yet to meet their match. The final score was very deceiving, Manual 93, Hamilton 81.

Then came the time everyone was waiting for. Coach Harris was out to prove to everyone that his team was number one in the city. The critics felt that Manual was yet to face any of the city's top teams. The Southern League was the toughest league in the entire city. Four of the six teams in Southern League were in the city ratings. The league opener was against the Washington Generals, with Manual winning it with ease by a score of 91-79.

The next unfortunate team to meet the Purple Gang were the L.A. Romans. It wasn't much of a struggle after the first half when the Toilers broke it open. Harris and his gang overtook Rome 85-72.

The next game was thought to be the toughest game for the Toilers in league play. They were to face the Pathfinders of Fremont. The winner of the Manual Arts - Fremont game was likely to take the number one spot in the city. The Pathfinders were a strong and aggressive team, who dominated the offensive boards, but thanks to Coach Harris' training camp, the Toilers proved to be the better conditioned team. Because of this the Toilers were able to overtake the aggressive Pathfinders late in the fourth period. The final score was 63-57.

Next, Manual faced the Dorsey Dons, who were thought to be a pushover for the Toilers. The Dons handed Manual its first defeat. Manual was cited for 43 turnovers in the game. The Dons defeated Manual 55-59.

The Toilers came back to overtake the Jefferson Demos with the home court advantage by the score of 94-71. At the end of the first round, the Toilers record was 4-1 and Manual was the league's leader.

In the second round of league play, Manual ran into great difficulty. This time around they got past the Washington Generals by the score of 71-60. It was a much closer game than the score revealed. The Toilers hosted the L.A. Romans, just barely getting by them with the score of 84-83.

The Toilers weren't as lucky against the Pathfinders.

Although Manual got off to its usually slow start, this may have been the best game for the Toilers in the second round. The Toilers came back from a 16 point deficit to pull up even late in the fourth period, but fell short by the score of 63-61. Coach Harris and his Purple Gang were handed their second straight defeat by the Dorsey Dons. The Toilers just couldn't seem to play well against the Dons. It was the most disappointing loss of the season for the Toilers, as they suffered their first defeat at home by a score of 58-48.

Jefferson was the most important game for Coach Harris and his Purple Gang in their attempt to make the 1973-74 City Play-Off Tournament. The Toilers looked like their old selves as they defeated Jefferson rather badly, 75-58. In the process of losing to Fremont and Dorsey, Manual lost its top-seated position to the city poll and fell down to number five. Fremont took over the number one spot, with Crenshaw second, Dorsey third, Jordan fourth and Manual fifth. Manual had to depend upon Fremont's defeating Dorsey to get into the City Play-offs. Fremont's 54-53 victory over Dorsey gave Manual the go-ahead.

In the first round of the play-offs, Manual defeated a weak but very conservative Marshall High team. The Arts defeated Marshall by the score of 69-61. Next the Arts ran into one of the tallest teams in the city, Chatsworth. The game was played on NBC. Chatsworth proved to be too strong for Manual, as Chatsworth ran away with the game. Manual didn't play well at all. In fact, they played as if they had never been coached and were defeated by the score of 84-66.

Freeman Williams shoots baseline jumper against Fremont.

Julius Harper (#23) knocks one away from Fremont's Ivory Ward.

Carl Hawkins (#32) shows Fremont what a little man can do as he shoots jump shot looking down, as everyone is on the floor.

The junior varsity team showed a great improvement over last years team. The J. V. 's breezed to a 4 and 0 pre-season record including a tough 57 to 54 win over University.

The J. V. 's first league game came against Washington and it proved to be one of the more exciting games of the year as Manual defeated Washington 74 to 71 in overtime. The J. V. 's then went on to beat L. A. , but suffered their first loss of the year to Fremont 47 to 48 in the last second. The J. V. 's finished the first round of league play with a record of 3 wins and 2 losses.

The J. V. 's began the second round of league play by rolling over Washington 76 to 62. But then bad luck hit them as they lost their next three games, including a 56 to 57 loss to Dorsey when one of Dorsey's players hit a shot at the buzzer.

Over all it was an exciting and successful year for the Junior Varsity. Even though they didn't take Southern League, the juniors who composed most of the J. V. team look forward to a promising 74-75 season.

The BEE team, who won the Southern League Championship by going undefeated, showed a winning attitude. They played better defense than many varsity teams. This team had no player over 5'10", but played like giants. This proves it's not the size of the player that counts, but the size of his heart. The BEE's executed the fast break to perfection, also executing a 2-2-1 full court zone press commonly used by U.C.L.A. These two skills were the team's biggest offensive weapons. But when they set up into their smooth running offense, they were unstoppable.

This team averaged over 85 points a game, while holding the other teams to 60 points. On two occasions they beat teams by 86 points-126 to 40, Manual vs San Fernando and 127 to 41, Manual vs Washington. Toilers who never saw the Bee's play missed an exciting experience. The starters or the superstars are Wesly Askins, a good defensive player; Darryl Whetstone, who gave a 100 per cent effort every game, Reggie King, a very exciting forward-guard; Stelle Gaston, who is one of the smoothest players around and John Smith, a great ball-handling, shooting guard. All the least three mentioned averaged over 20 points a game. Also there are Raymond Brown, a very aggressive defensive player; Michael Cutrer, one of our top rebounders; Earl Pierce; Greg Smith; Wardell Joe; and Robert Hopson.

Bottom Row: Steven Gaston, Raymond Brown Darryl Whetstone, Wesly Askins, John Smith, Earl Pierce.

Manual Arts Cee team this year had a successful season. They were 10-5 overall and 6-4 in the Southern League standing, which was good enough for second place. The team was not very tall but had some members on the team that really jumped.

As a team they shot fairly well from the outside. This team employed a 1-2-2 full court press and sometimes used a 1-2-2 half court press. If there was any one weak point of the Cee's, it had to be defense. Taking all things into consideration, however, they had a good team.

There were some outstanding players, such as Lavern Burns, who, when he was hot, he was hot. Also Kirk Downs played a big role for them. He scored and rebounded well. Another shooter was Ruel Grundy, who played two positions, sometimes playing forward, and sometimes playing guard. The center was John Ashley, who did a fine job. John did not score a lot of points, but he rebounded and hustled, making up for this. John became a consistent ball player. The team could always count on him. Hillary Rivera came on strong at the end of the season and always had a winning attitude. Also contributing to the team efforts were Harry Williams, Anthony Jones, Kenny Lewis, Gary Jordan, Anthony Murray, and Harrison Thomas.

Youlanda Mason is a former student at Manual Arts High. She is 18 years old and loves Karate.

Miss Mason, as she is respectfully referred to in class, began her Martial Arts training in January of 1972 and, in record time (Oct. '73), was the first female to be promoted to the rank of first degree Black Belt under Mr. Chapel!

Miss Mason's tournament record is just as impressive. She has never failed to place in competition in over a two-year period, with all but one of those wins being first place.

It is no wonder that Youlanda was determined by Karateka Magazine to be the number one fighting female Black Belt. In addition, an international publication has selected Youlanda to lead off a series of articles of outstanding female practicionors in the World of Karate.

Youlanda has put Manual Arts on the map in the world of Karate. We at Manual are proud to have had Youlanda, and we hope that she pursues her other endeavors with the same drive she has shown in karate. Youlanda, we love you. GOOD LUCK!

YOULANDA WORKS OUT UNDER THE WATCHFUL EYE OF HER INSTRUCTOR, MR. RON CHAPEL' 5th DEGREE BLACK BELT

WHAT IS KARATE?

Part self-defense...part sport...part exercise...part ritual—this is the intriguing complexity of Karate. It is the oldest and most devastating form of self-protection without weapons that man has ever developed; yet it is relatively new and obscure to the Western world. In more modern times Karate has taken on the aspects of a major sports activity. And it is this unique combination of defense and sporting techniques that has created a wave of enthusiasm throughout the United States.

Size and sex are no barriers. A woman can master the Karate art of self-protection as effectively as a man and live free of fear. A man of slight build can down a stronger opponent or combat more than one at a time.

One of the prime objectives of Karate is the development of spiritual attitudes that lead to humility and self-restraint. A knowledge of Karate is for the preservation of human rights. It is not intended to be used aggressively, or misused for selfish or cruel purposes. To do so a karateist would dishonor himself,...as well as his people.

Mr. Chapel Has people of all ages in his class including, Manual's Head Security Agent, Mr. Reddick, as well as other, including parents, from the community.

OFF AND SWIMMING

By Deborah Lewis

The Manual Arts swim team opened their season with impressive victories over Locke and Washington. Coach Ciesielski feels that his team is built of good swimmers. At the meet against Banning the Manual team lost because some of their men were absent. Manual came back in the March 11 meet to prove that they were not going to stay down. They came up by beating Locke 81-44. Glen Jackson, placed second in the 500-yard freestyle and the 200-yard freestyle. Michael Thompson dominated the 100-yard freestyle by placing a first for Manual. The Toliers were outstanding in the relays, placing first both times. Steven Norton showed great swimming strokes as he gapped the lead on the relay, winning it for Manual. Eras Noel looked like a promising tenth grader in the Butterfly events. Robert Welsh, a promising eleventh grader, took a third in the 100-yard breaststroke. Diving was great on both teams even if Locke took first. Manual Arts' own Terry Goring placed second with the score

R. To L. First Row: Eras Noel, Timothy Thomas, Steven Morgan, Glen Jackson. R. To L. Second Row: C.W. Collins, Robert Welsch, Loyld Cook, Michael Thompson, Ronald Rogers, Steven Norton, David Brice, Leslie Thompson, Terry Goring.

of 25.0 points. Ronald Rogers placed third and David Brice placed fourth.

At the beginning of league competition, Washington met Manual at their home pool. The same thing happened as at Locke. The Manual Arts Toilers dominated the Washington Generals. The Toilers won the meet 71-39.

Manual Arts met L.A. at L.A.'s home pool. This is where Manual met its first defeat. The Toilers were swimming hard, but when they reached the finish line, they were upset to find out they were disqualified from the race. As always the diving was outstanding. Manual Arts' own Terry Goring placed first with his highest score ever, 37 points. David Brice placed second with 27 points.

Let's tip our hats to the Toiler swim team for a promising season.

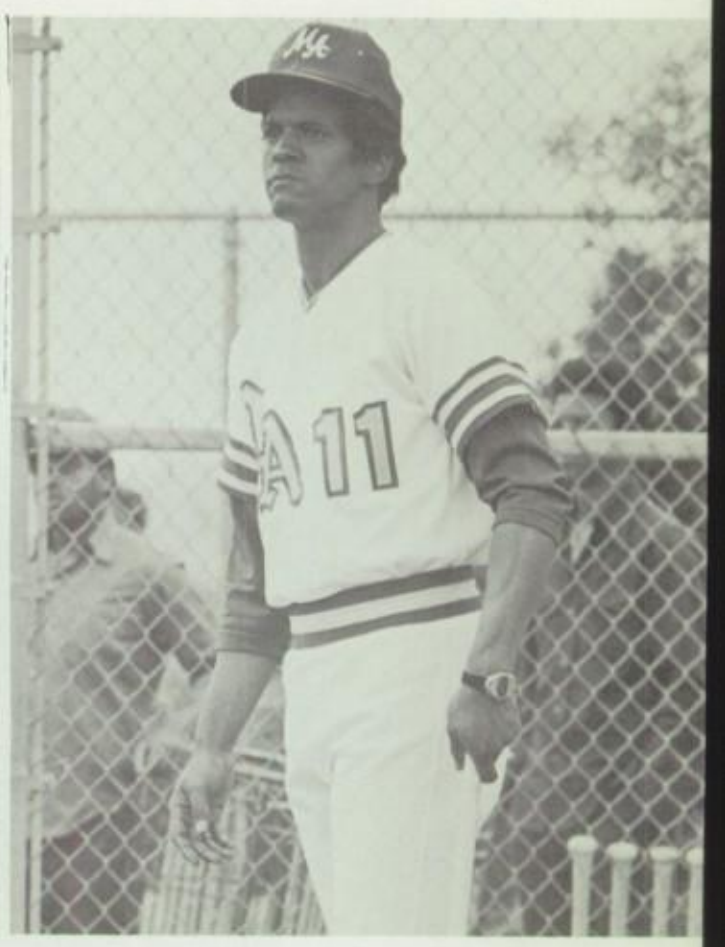
Tony Broadwater



Coach Garnett "The King"

Floyd Rayford stealing second base.

George Robbins sliding into second.

Baseball is a sport that's in the shadow of football, basketball, and track, but it's the most productive sport at Manual Arts.

The "Big Purple Machine" has been to the play-offs three years straight. They also captured the Southern League Championship last year. The Toilers lost three players to the pros: Dwight Favors, Robert Arceneaux and Chucky James. They also lost two players to junior colleges: Wilbur Ellis and John Griffin. They lost their shortstop, Larry Fobbs, to U.S.C.

The loss of these players presented a problem for Coach Garnett at the end of last year's season. Coach Garnett knew he had to get some ball players in order to take another championship and even capture the city crown. Coach Garnett started to build his team with returning ball players and called upon some of the J.V. Stars, James Joseph, Marcus Williams, Harvey Harris, Dennis Quinn, Kirk Downs, Erbie Phillips, Joe Shepard. With a lot of determination, hustle, and hard work, Coach Garnett had molded what was thought to be the weakest team in the league into the most disciplined and well-balanced team in the city. When Garnett got through and when everyone saw the "Big Purple Machine", they were no longer the so-called weak team; they were Number #1.

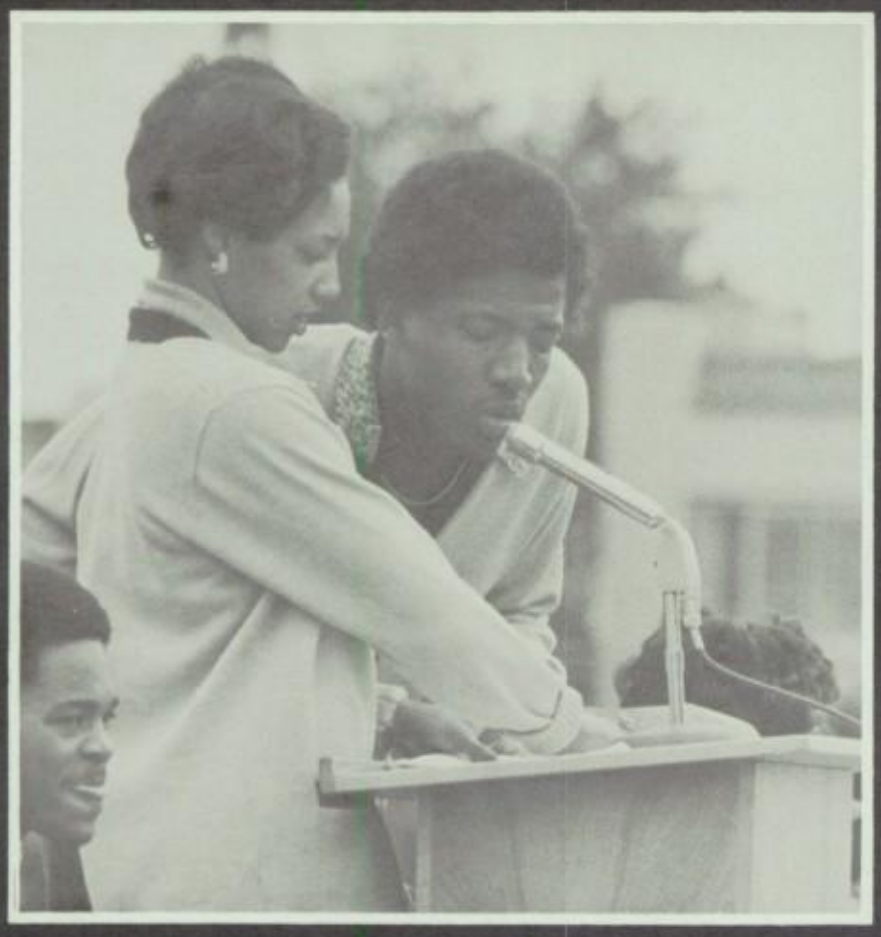
J.V. BASEBALL

J.V. Baseball Bottom Row: S. Tate, A. Anderson, M. Foshay, P. Banks, S. Jones, S. Stroud, T. Adolph, P. Frierson, Top Row: D. Boston (Capt.) C. Abney, L. Prewitt, R. Jones (Capt) L. Burns, K. Arceneaux, M. Shaw, R. Rodgers, Coach Threatt.

The J.V. baseball team is a team that prepares young ball players for the varsity. Under the coaching of Donald Threatt, the J.V. team won three Southern League championships.

At the beginning of try-outs, the J.V.'s lost last year's stars to the varsity, and they were considered to be a weak team. With great young talent and great coaching however, by the time the season came around, the Toilers began where they left off last year, on their winning ways.

SHANGANA WAKIMBEES—THE MAJESTIC ONES



Yell Leaders

Even you came to see the Majestic Ones.

And the seniors go marching on.

David Jackson Sr. class boys V.-P. getting down.

IT'S TIME

It's time we say Goodbye to all of you,
To all our friends faithful and true,
SHANGANA WAKIMBEES, SHANGANA WAKIMBEES,
The Majestic Ones of '74.

What we dare to dream of, we to do.
No matter what the task large or new,
but now were here and tomorrow we'll be gone,
and our name shall carry on.

WE SAY GOODBYE

So long, Manual, we're paving new roads and opening

tomorrow's doors,

SHANGANA WAKIMBEES, SHANGANA WAKIMBEES

The Majestic Ones of '74.

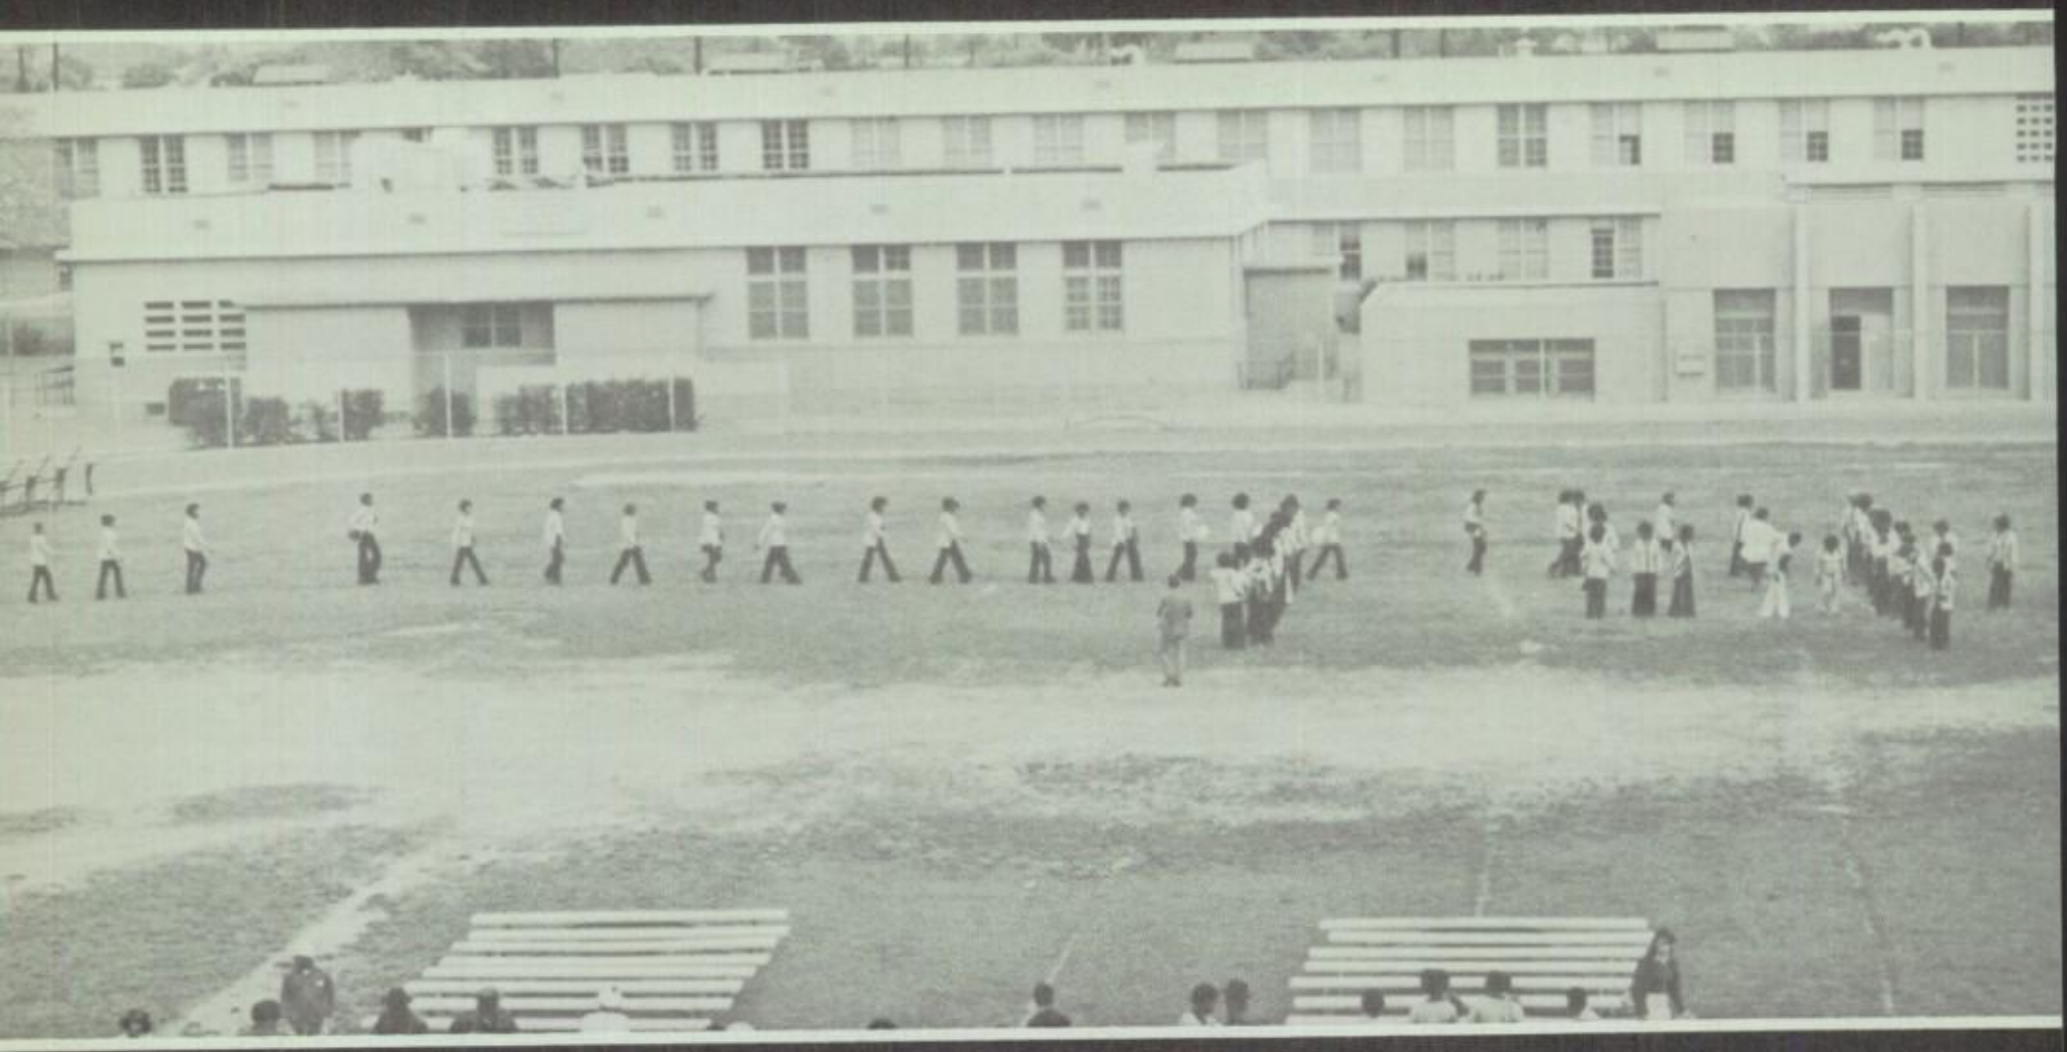
But it's time we say Goodbye, Goodbye

IT'S TIME WE SAY GOODBYE.

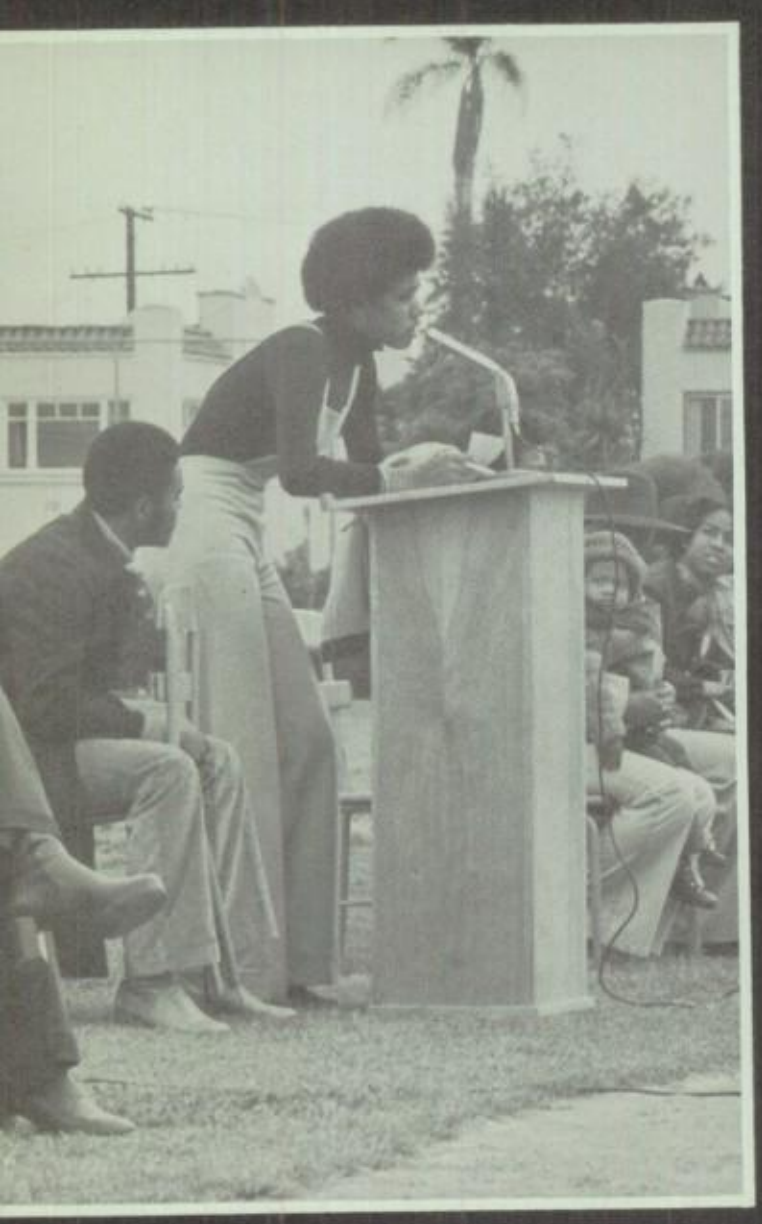
Words and Music Written by

Michael Eugene Jones

SENIORS ON



The Shangana Wakimbees Marching on the field



Class President telling you about the class of '74

Friday, March 22 was the day long awaited by the Shangana Wakimbees, Class of 1974.

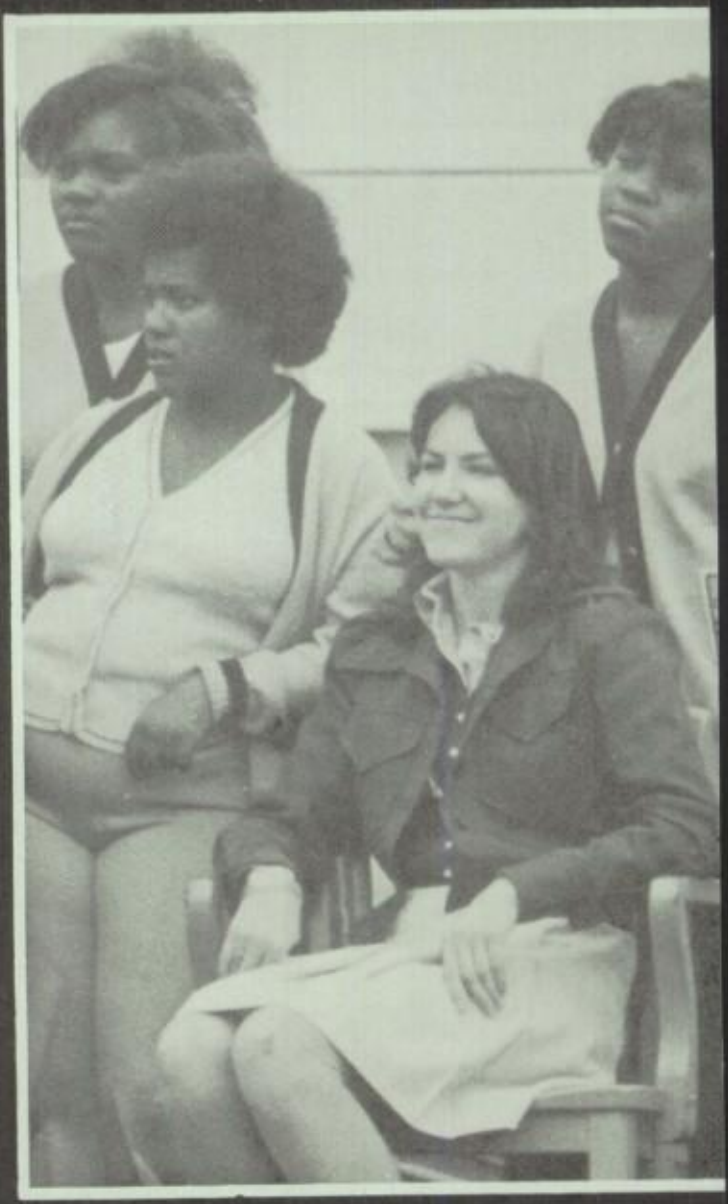
The Majestic Ones held their Senior Recognition Day that afternoon on Wilson Field at 2 p.m.

Colors for the day were chestnut brown and beige. Seniors appeared in brown pants and a class sweater or beige top.

A panorama photograph was taken prior to the beginning of Recognition Day activities.

Senior class favorites were recognized, as well as other outstanding class members.

To top off the day, seniors hosted their Recognition Dance that night at the Biltmore Hotel in the Music Room.



A happy sponsor-proud of her Shangana Wakimbees

RECOGNITION DAY

A bunch of smiling seniors.

The Shangana, Wakimbees know they are the best.

Some Happy Seniors.

A proud senior on Recognition Day

Give a big smile for Recognition Day.

SENIOR CLASS CHEERLEADERS

The Funky Browns-Gettin' Down

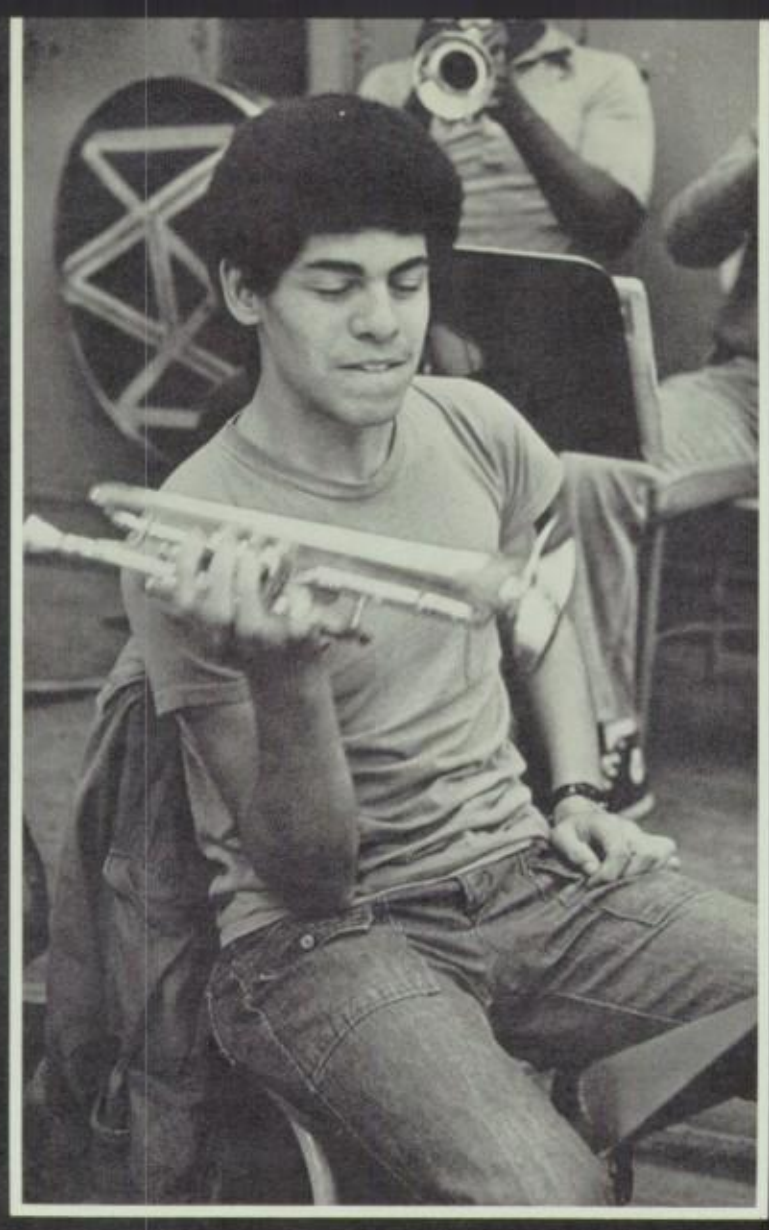
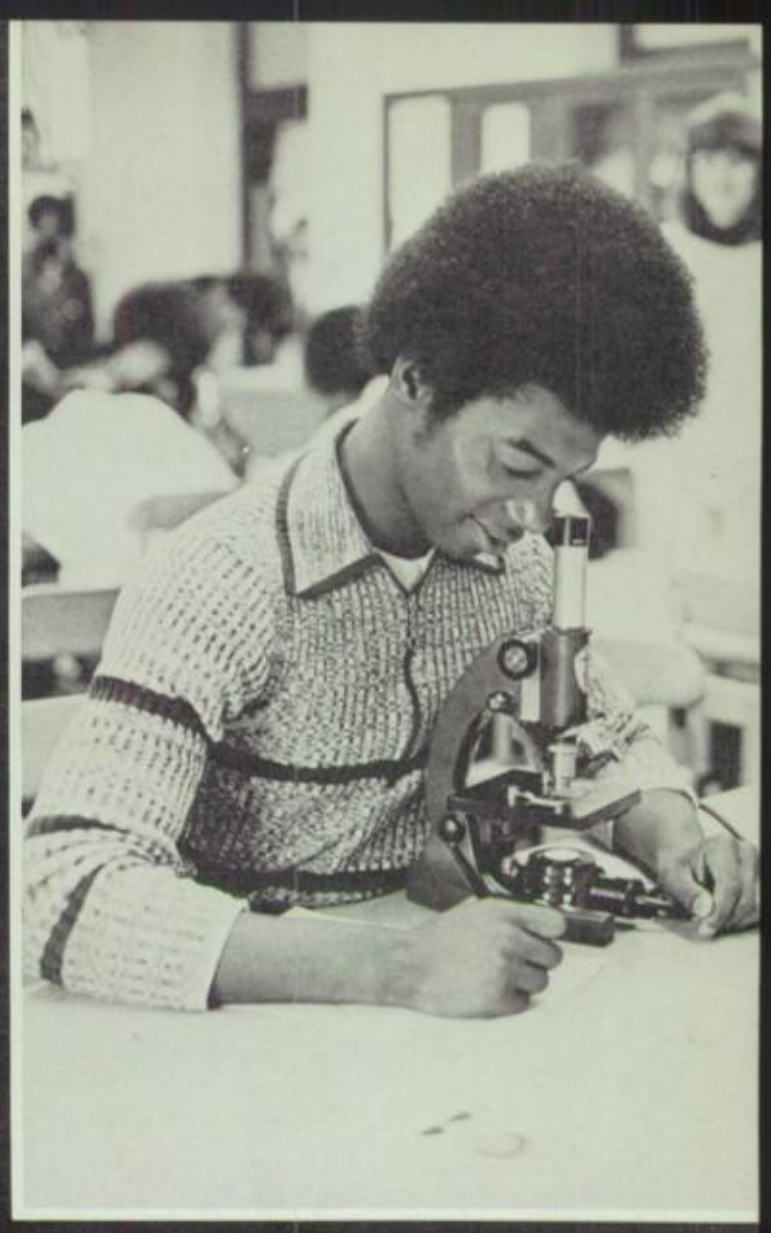
OF S'74 GETTIN' DOWN!!!

CURRI





CULUM

ART

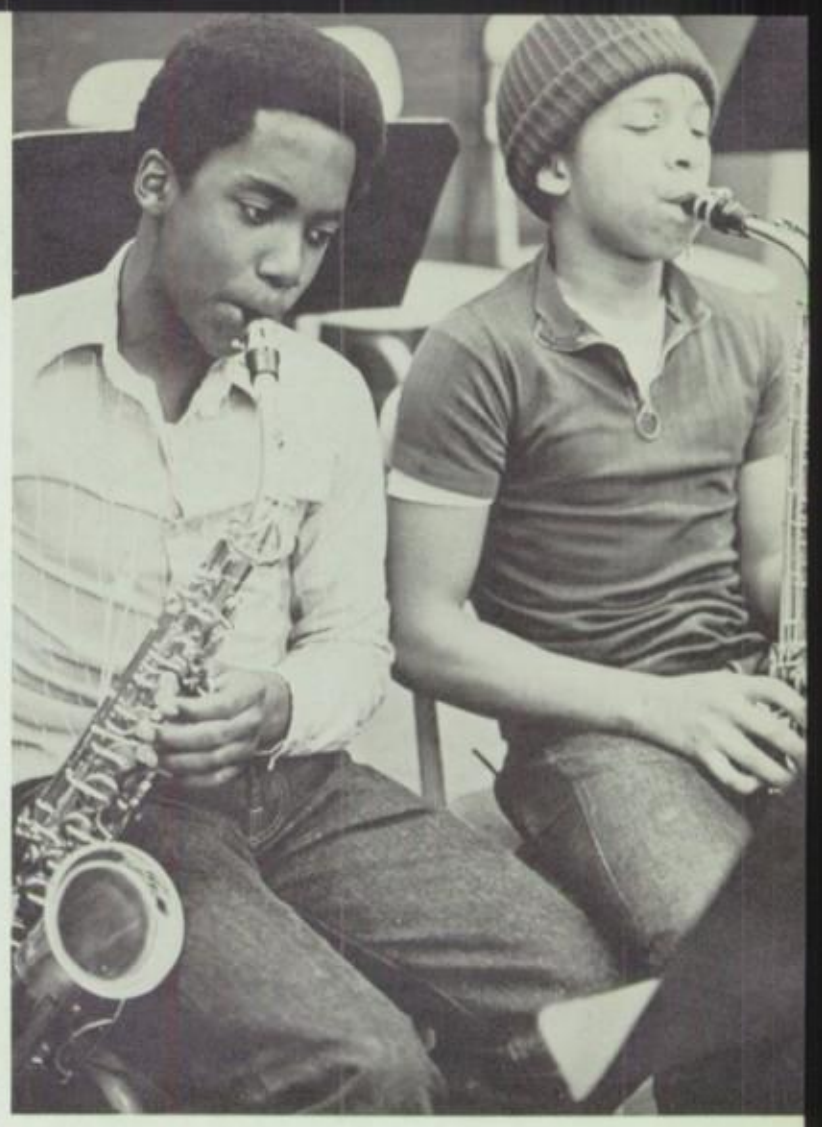
It's your thing. . .

ART DEPARTMENT

Manual Arts Art Department includes many areas of the visual arts, both two and three dimensional. We offer classes in drawing, printing, design, ceramics and crafts, all classes offering a wide variety of art forms.

. . . do what you want to do!

MUSIC



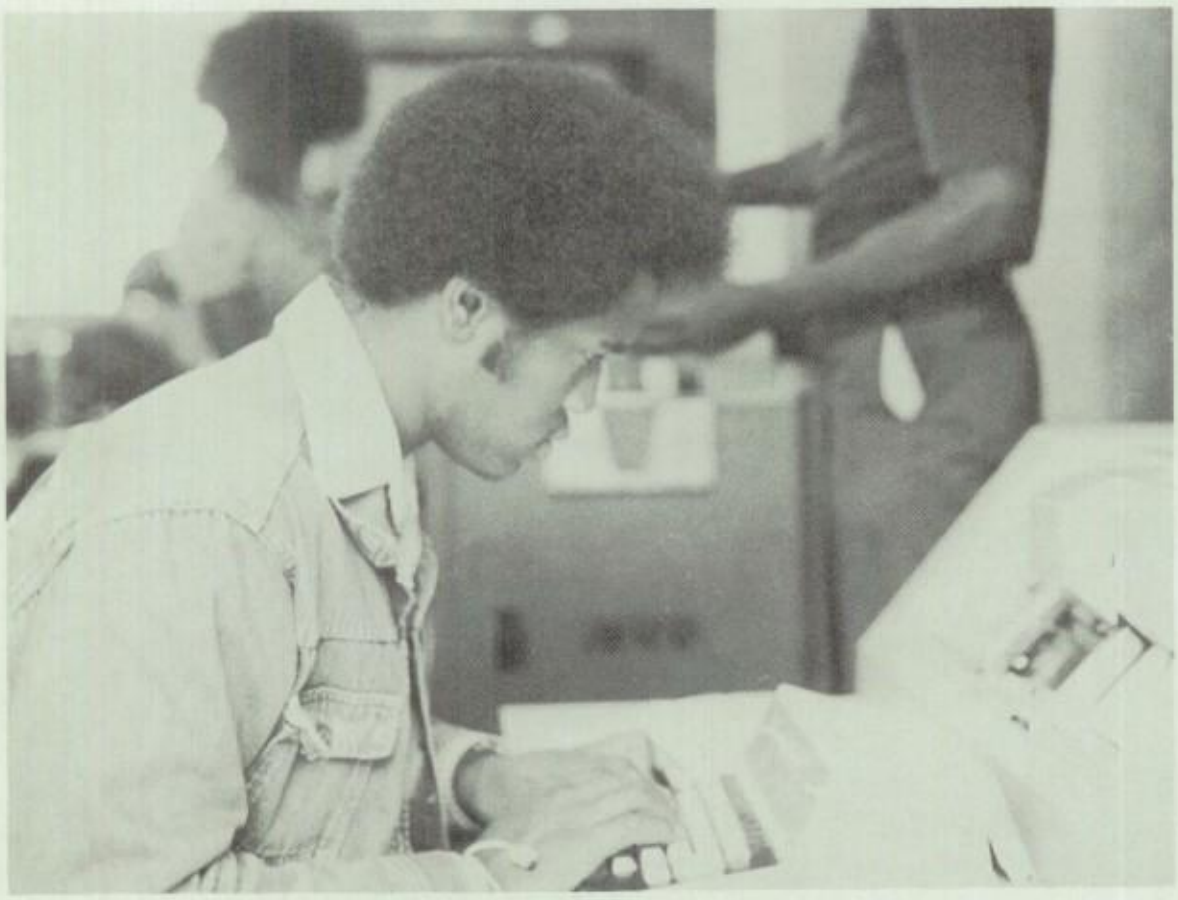
In 1974 the Music Department continues to provide Manual Arts with the best in vocal and instrumental music performed by our own students. Jazz workshop and the Toiler Marching Band continue to grow under the leadership of Mr. Hence Powell. Men's Glee (Aeolian Club) and Women's Glee (Lyric Club) under the direction of Mr. James Ellfeldt performed throughout the community.

Our music majors are graduating from school into professional music and college with a head start to success. They have mastered their various instruments, learned harmony and music theory and can play in a variety of styles.

We have a developing string orchestra under the direction of Mr. William Jackson (of Driver's Education) and a fine class of piano students taught by Mrs. DeShay of the English Department.

BLOWING·SOUNDS OF SWEET MUSIC . . .

BUSINESS EDUCATION



Leonard Mack operates key punch machine.

COURSE OFFERINGS

General Business (Economics)
Typing 1-2-3-4
Key Punch
Bookkeeping

Office Procedures
Business Machines
Business English
Merchandising AB
Marketing / Merchandising Procedures AB
Business Law

Sabrina Taylor operates calculator in Mr. Kobashigawa's class.

Sandra Gray and Lynette Morris take dictation in Ms. Murayama's Transcription class.

Margo Burwell and Victor Bible help Ms. Owens with a Christmas display in Marketing / Merchandising procedures.

Gail Brownlee in Data Processing class.

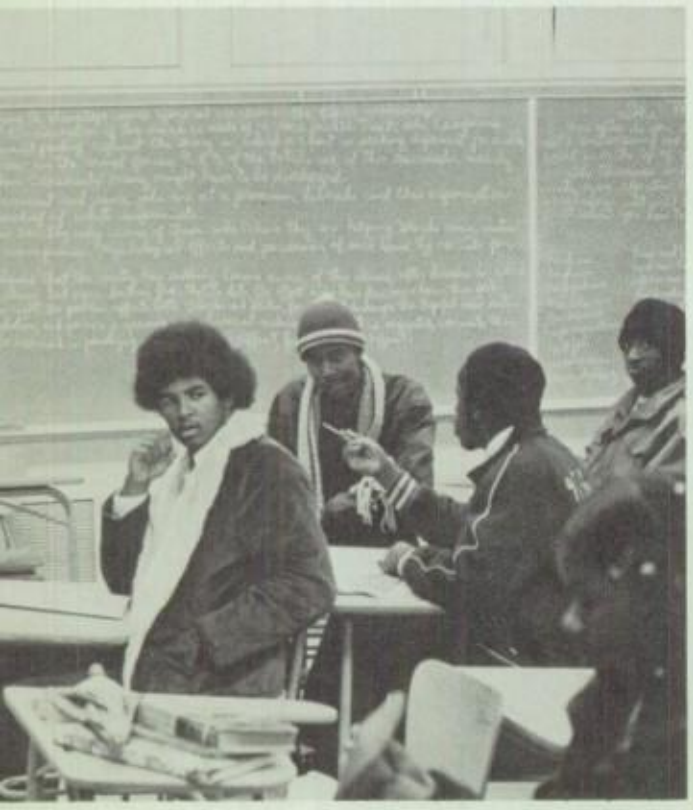
SOCIAL STUDIES

Responsibility in a democracy. . .

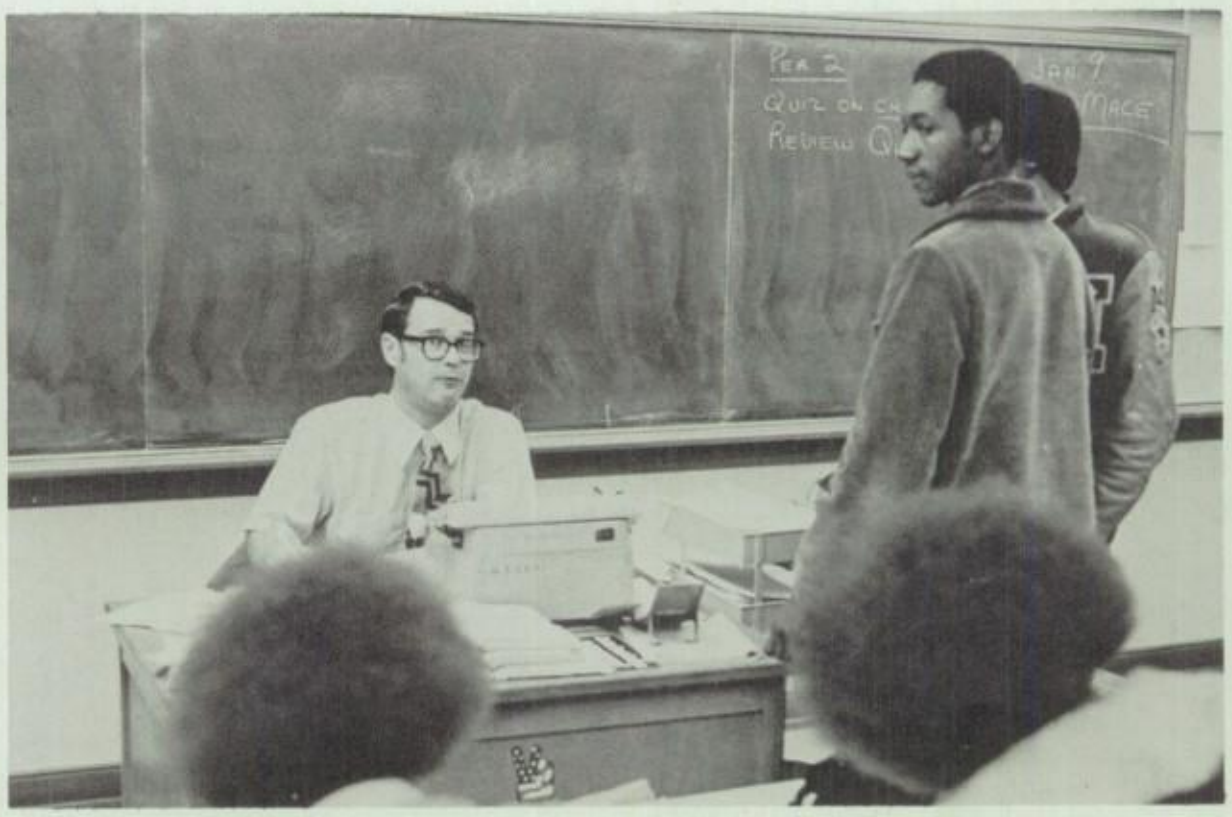
Afro-American History-an understanding of ones heritage. . .

The Social Studies Department is proud to offer the most contemporary and relevant curriculum at Manual. Through such courses as Law and Society, Psychology, Sociology and Black Political Thought, the department provides the student with valuable insight into who they are and what their rights are.

Courses such as U.S. History and U.S. Government help provide the student with a sense of the past and an understanding of their rights and responsibilities in a democracy.



A sense of the past. . .



Psychology-an insight into personality. . .

SCIENCE

STUDY, OBSERVATION INVESTIGATION...

The Science Department is dedicated to the concept that the physical world is susceptible of being known, investigated, understood.

The tools by which this may be accomplished are used so that the students may obtain a degree of proficiency in this area.

ENGLISH

Writing and editing skills are stressed in Journalism. Editorial staff member Beverly Evans prepares copy for the Manual-Lite.

"Im sure I remember that word!"

The goals and objectives of the English department are to:

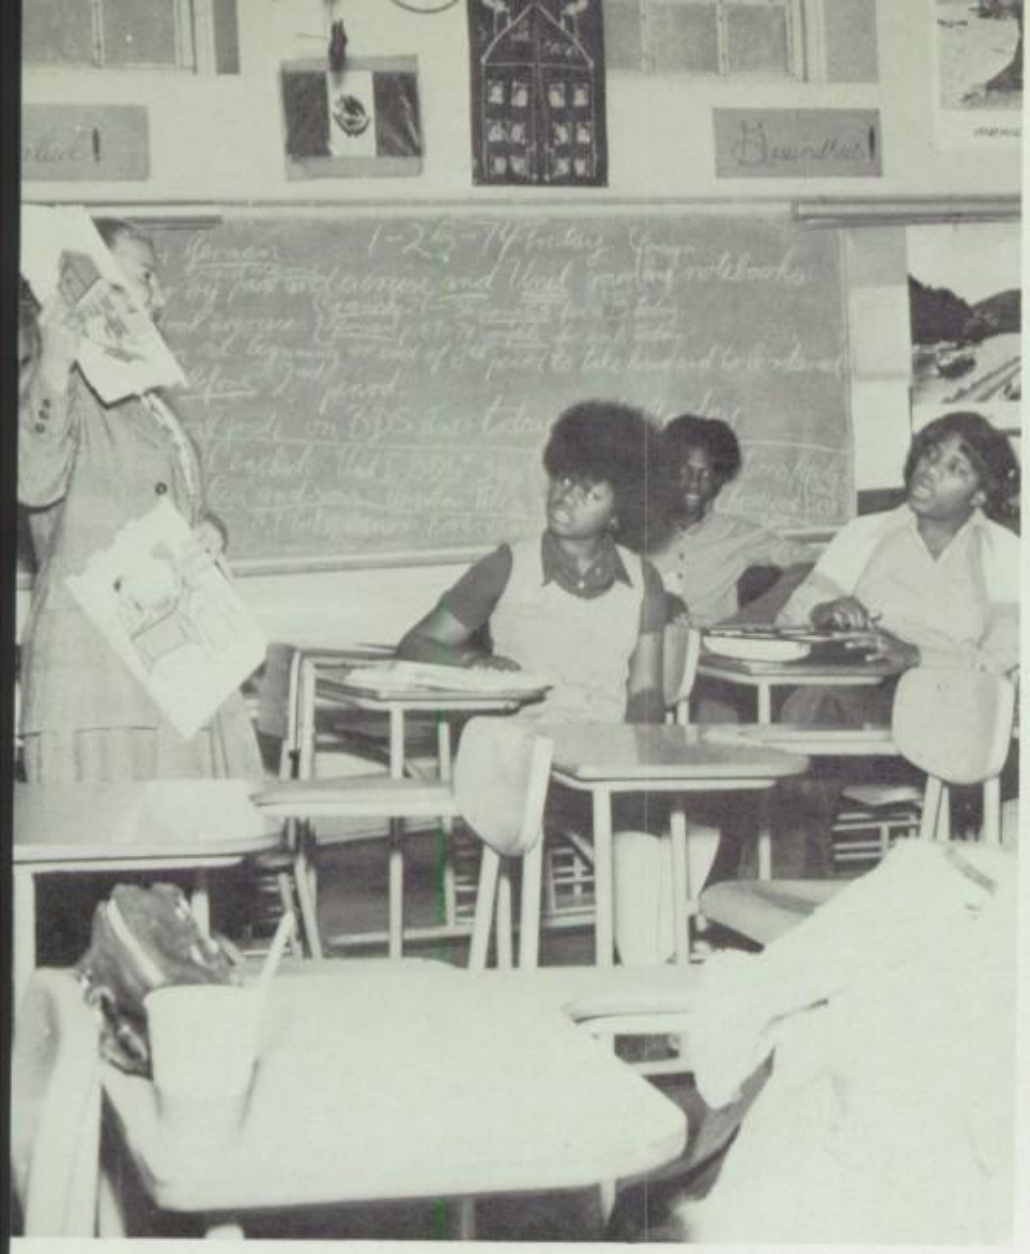
1. Improve the reading and comprehension skills of all students to at least 8th grade level.
2. Improve the communication skills in both oral and written expression.
3. Teach students to recognize and appreciate literary excellence.
4. Teach positive moral and social values through the study of literature, helping them to formulate socially acceptable value systems of their own.

The course offerings are listed below and are determined by student needs and interest.

Basic Reading
Reading Improvement
English 10AB
American Literature and Composition
Senior Composition
Advanced Placement English
Speech
Debate
Drama
Journalism
Preparation for the SAT (Scholastic Aptitude Test)

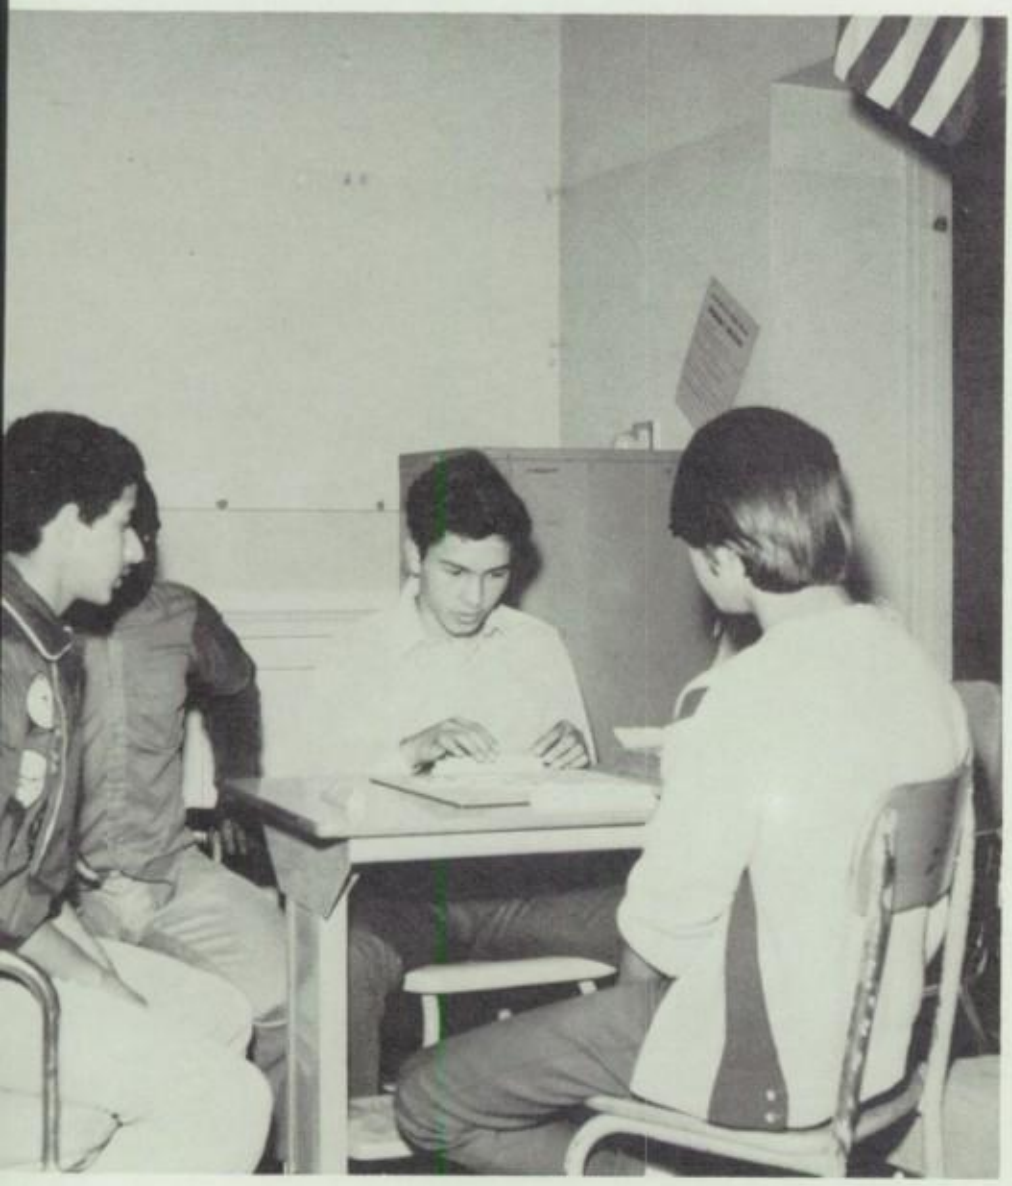
Brenda Butts work with students from Vernon Elementary School in reading skills as part of a regular tutoring program conducted twice a week by Mrs. Adeline Jones's English class.

Students from the Classics Department of USC present certificates to 11th graders who completed a word study mini-course. The joint Educational program (J.E.P.) provides assistance in many areas of instruction through U.S.C. students who volunteer their services.



Flash cards help students learn Spanish vocabulary.

The wide, wide world of Spanish.



ESL students and Foreign Language students play scrabble in French, German and Spanish.

FOREIGN LANGUAGE DEPARTMENT

French, German and Spanish are now offered at Manual Arts. Two or three years of one language meets the University requirement but students may take a language for one year as an elective.

We have started a Foreign language circle which is a club for interested Foreign language students. It will meet on Thursday and Friday at noon in our club room. Members will have an opportunity to see slides, play games and hear music from other cultures at this time. From time to time we will prepare foreign recipes.

We try to take our students on trip but this has been difficult due to the cut in transportation and the gas shortage. Places of interest are restaurants, museums and our missions.

For September 1974 we would like to open some one-semester conversation classes so that our students could learn some useful phrases without having to finish one entire year.

We are again planning to offer our festival featuring short plays, songs, dances and food from other countries.

GIRLS' PHYSICAL

All together now with grace and poise.

Modern Dance Class

Corrective

EDUCATION

Up and Over.

Gymnastics Class

The aim of Girls Physical Education at Manual is to promote total fitness through activities designed to meet the developmental characteristics and future needs of the high school girl.

Regular P. E. -Covers the physical and mechanical principals of movement. It includes a comprehensive study of the effect of physical activity on the body and its conditioning.

Interscholastic Sports-Provides advanced competition for girls who demonstrate above average abilities and skills and desire to compete. (Volleyball, Basketball, Tennis, Golf and Badminton.)

Corrective P. E. -A course for physically underdeveloped students. Activities are designed to provide each individual with an opportunity to plan and carry out her own program to improve physical condition and performance.

Slim Trim-To re-shape the body to maintain physical fitness and to develop an awareness of dietary needs and controls.

Gymnastics-Involves bodily movement on apparatus, tumbling on mats and free floor exercises.

Modern Dance-Enables the students through movement to explore time, space, force, designs, and rhythm patterns. It improves flexibility, strength, endurance and balance.

INDUSTRIAL ARTS

6

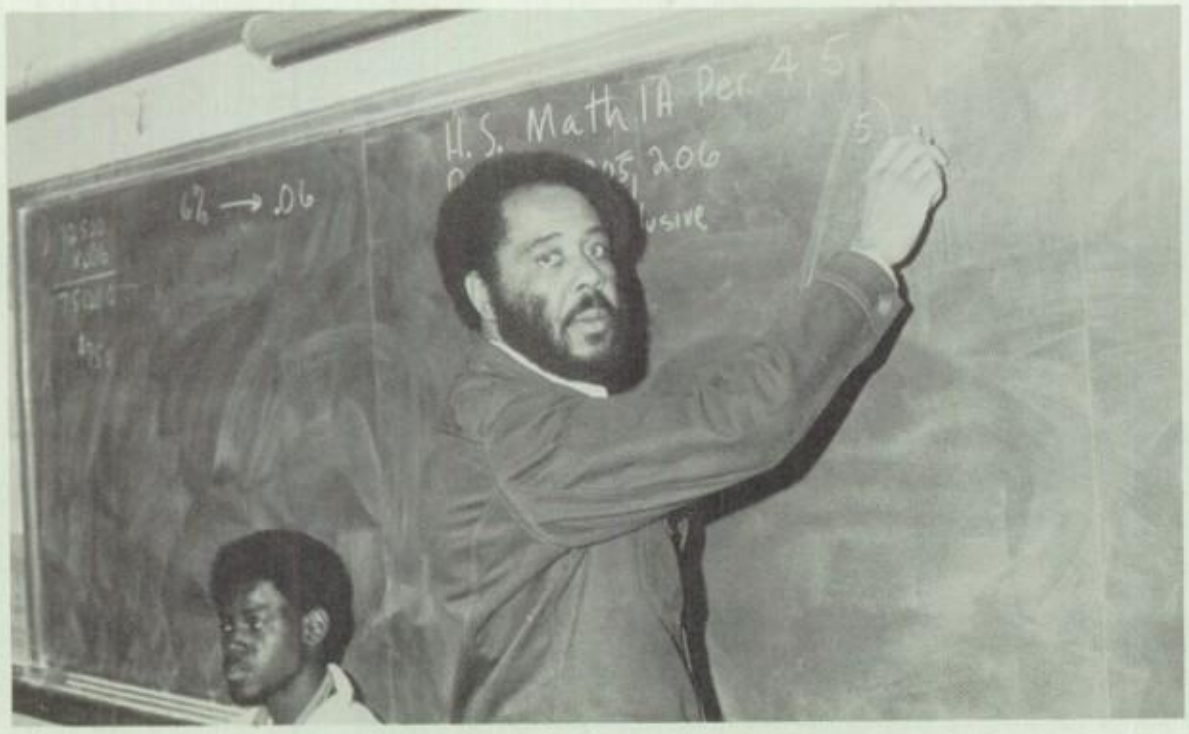
7

8

1. William Mitchell operates auditorium lights in Stage Crew class.
2. William Gatewood is Golden Medallion winner for his work in Electronics.
3. Drafting - a basic course for Industrial Arts.
4. Students in Industrial Materials work in plastics, wood, enameling, and metal.
5. Advanced Auto Mechanics students remove an engine for repair.
6. Mr. Moran teaches layout, composition, and press-work in the Modern Printing Processes course. Young ladies may also enroll.
7. Malcolm Bailey operates the numerical control unit computerized machining as practiced in industry.
8. Mr. White teaches stripping, camera, plate-making, and bindery as part of the Modern Printing Procedures course.

Woodshop (Not Shown) is training students this year in building custom cabinets to commercial specifications.

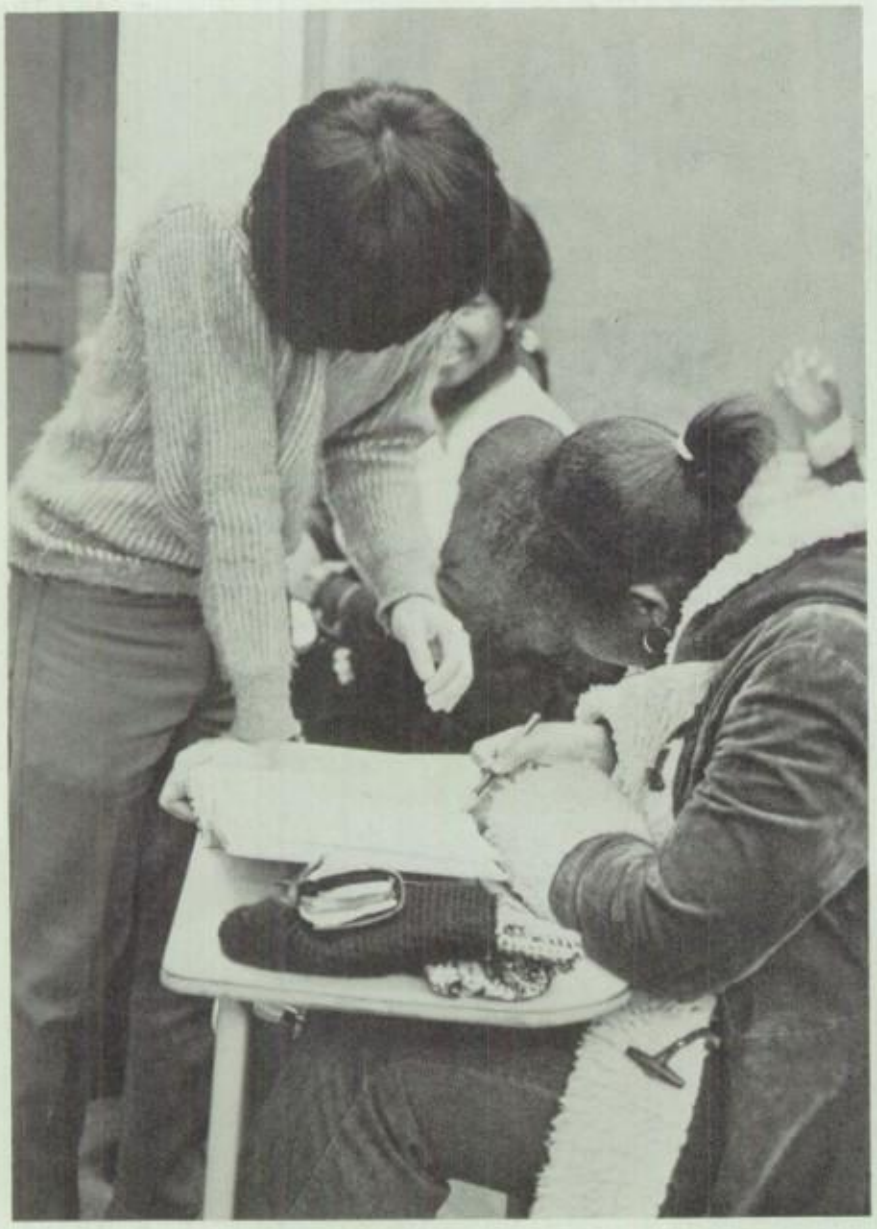
MATH



Explaining the problem makes it a little bit easier.

The Math Department aims to prepare Manual Arts students to be efficient in the area of quantification in their lives here and later.

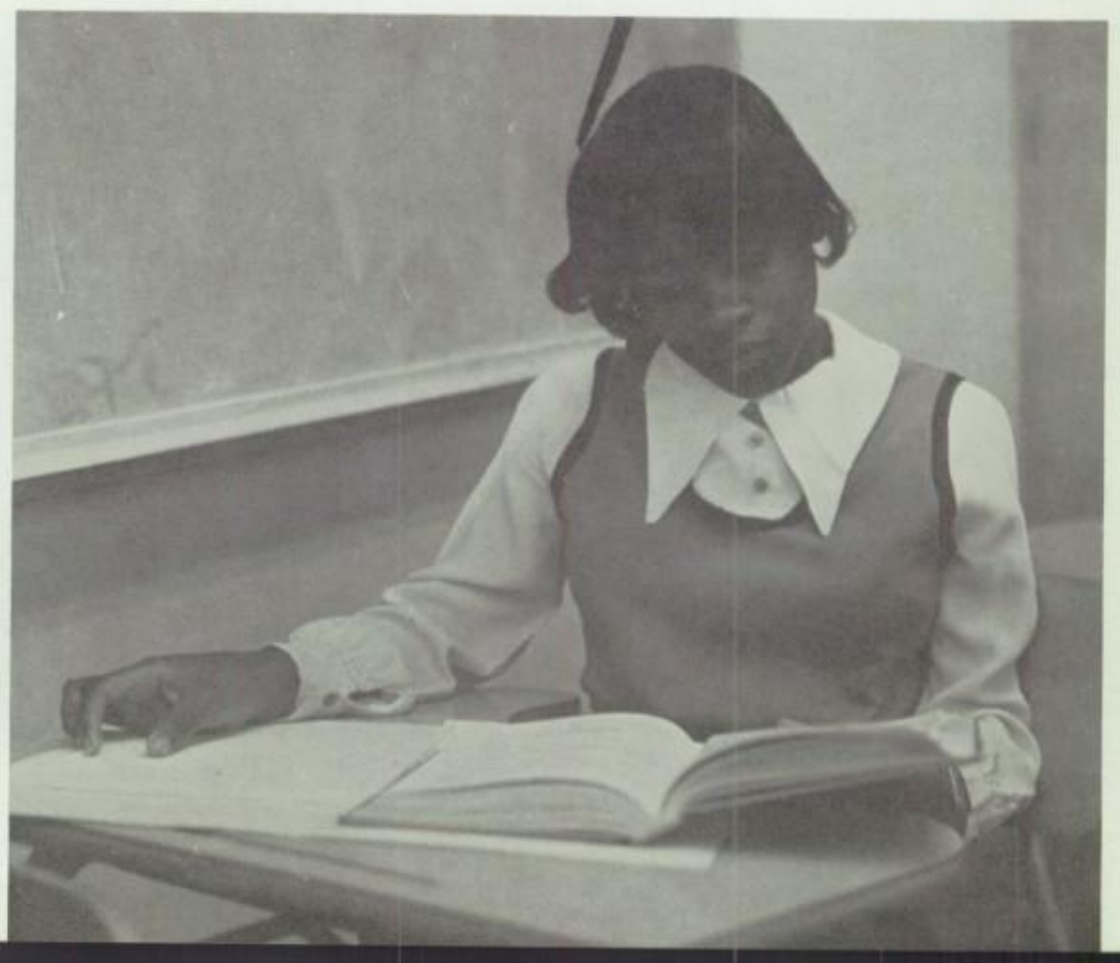
We offer the entire spectrum of math subjects taught in local high schools. In the near future we will be involved with Title I, which promises a much greater enhancement of our present ability to make available computers and other math aids for student development.



The teacher's help is even better.

Trying to solve the problem for yourself is always the best way.

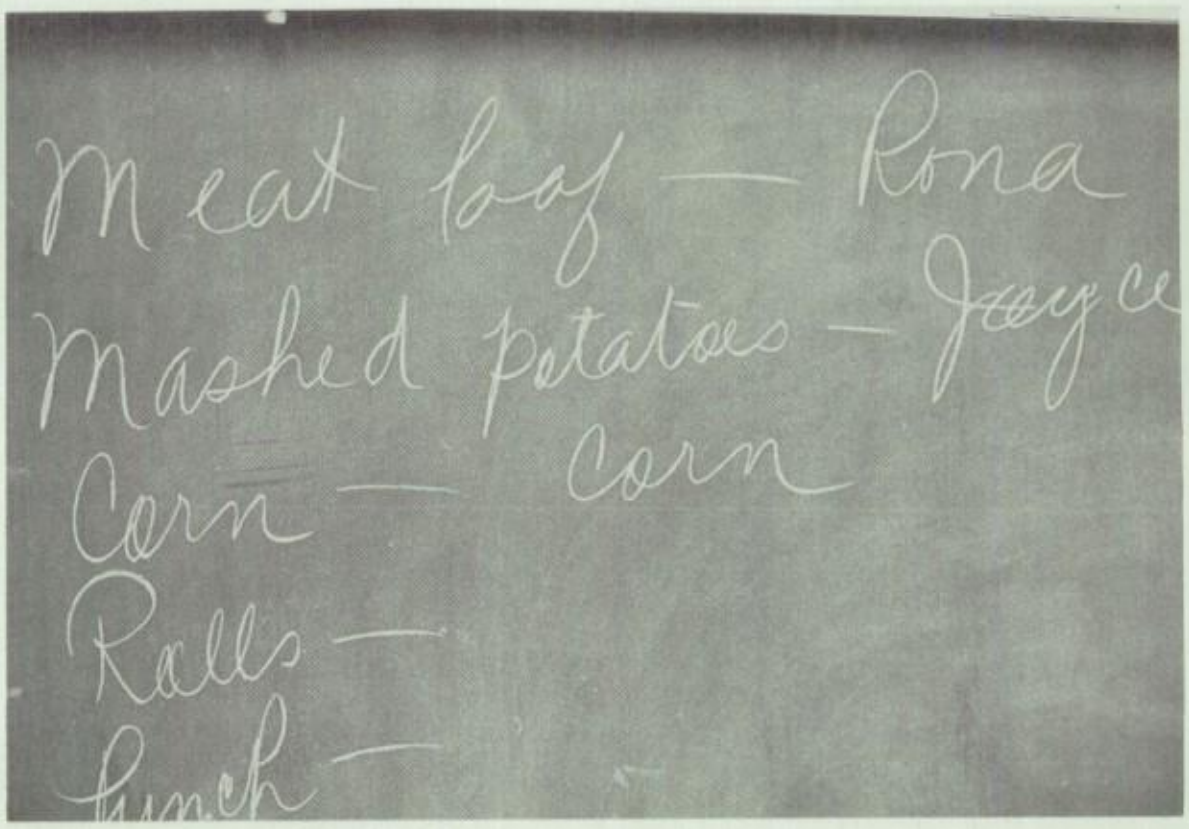
GETTING DOWN WITH BOOKS



HOME ECONOMICS

Clothing Construction

Occupational Health Class



Food Preparation And Service

The Home Economics Department prepares the young ladies for a dual role in a changing society of wage earning and homemaking.

Course Offerings: Clothing Construction, Foods (preparing and serving), Child Care and Development, Home and Apparel Arts (for students to crochet and knit dresses and hats), Power Sewing classes (to prepare girls to work in garment factories), Occupational Health Class, (to prepare students to go into nursing work), and Consumer Education.

STUDENT SERVICES

MRS. BAUER, SCHOLARSHIP OFFICE: "Let's Talk About College."

Get On Black Boy

To a white man, black boy,
Your color is dead.

Your hands should be rough;
You do what the master says.

Get on black boy.
Get yourself together.

If you don't do it now,
You'll be discriminated
Against forever.

Black is beautiful
Black is bold
Black is together
Black has soul

If you believe that,
You're a true black boy

You can't be pushed around
Like a little black toy.

Luella Barnett

Freedom

You don't describe it
It just can't be done:
Freedom for all
  and not just one.

Freedom comes naturally
Just like time:
It can't be described
  within a few lines.

Being free is being yourself.
You can't be free
  by being someone else.

by Martha Lee

Bless Me With

Take away the pain that haunts my heart
Erase away the hurt that fills my mind
Give me the missing parts of the love
  I cannot find.
Teach me the way of love, and let love
  lead my way.
Gift me with a strong mind that won't
  lead me wrong.
Bless me with those actions that will
  carry me on and on and on.

by Natalie Stovall

Happiness Is...

something that we all share
something that fills the air
neither war nor despair
someone who really cares
not being sad or melancholy
a mother who said,
"Your father's not dead."
a child with a toy
a little girl with a boy
a strong political system
one with realism
two people in love
someone who cares up above.

by Darell J. Ross

Haiku

The earth's filled with places
Where there's all kinds of human races
That's how God sees faces

by Hubbard Martin

The weeping willow
Drooping branches to shed tears
Flimsy she appears

Donna Anderson

Your Last Step Counts

Birth is your first step
Living and loving come next
Death is your last step

Brenda Grady

As I see the frogs
Leaping on the lily pads
They are full of freedom

Debra Lynn Fennell

An infertile egg
That waits to become fertile soon
Becomes a life of the image

Janis Williams

Black Is Beautiful

Black is beautiful is what many people say.
You hear it from day to day.
If Black is so beautiful, why do Blacks kill their brothers?
I thought Blacks are supposed to love one another.

Sometimes you can't walk the streets at night
For there may lurk a Black so-called brother wanting to fight.
Blacks try to influence the other races,
But sooner or later, we will leave no traces!
All of us may be dead, you see. . . .

Some Blacks go to parties and turn them out
Then the streets they walk about
Or, kicked out of their homes to roam the streets
Threatening everyone they meet.

If Black is so beautiful, prove it to me!
Then Love, Peace, and Happiness will set us free.

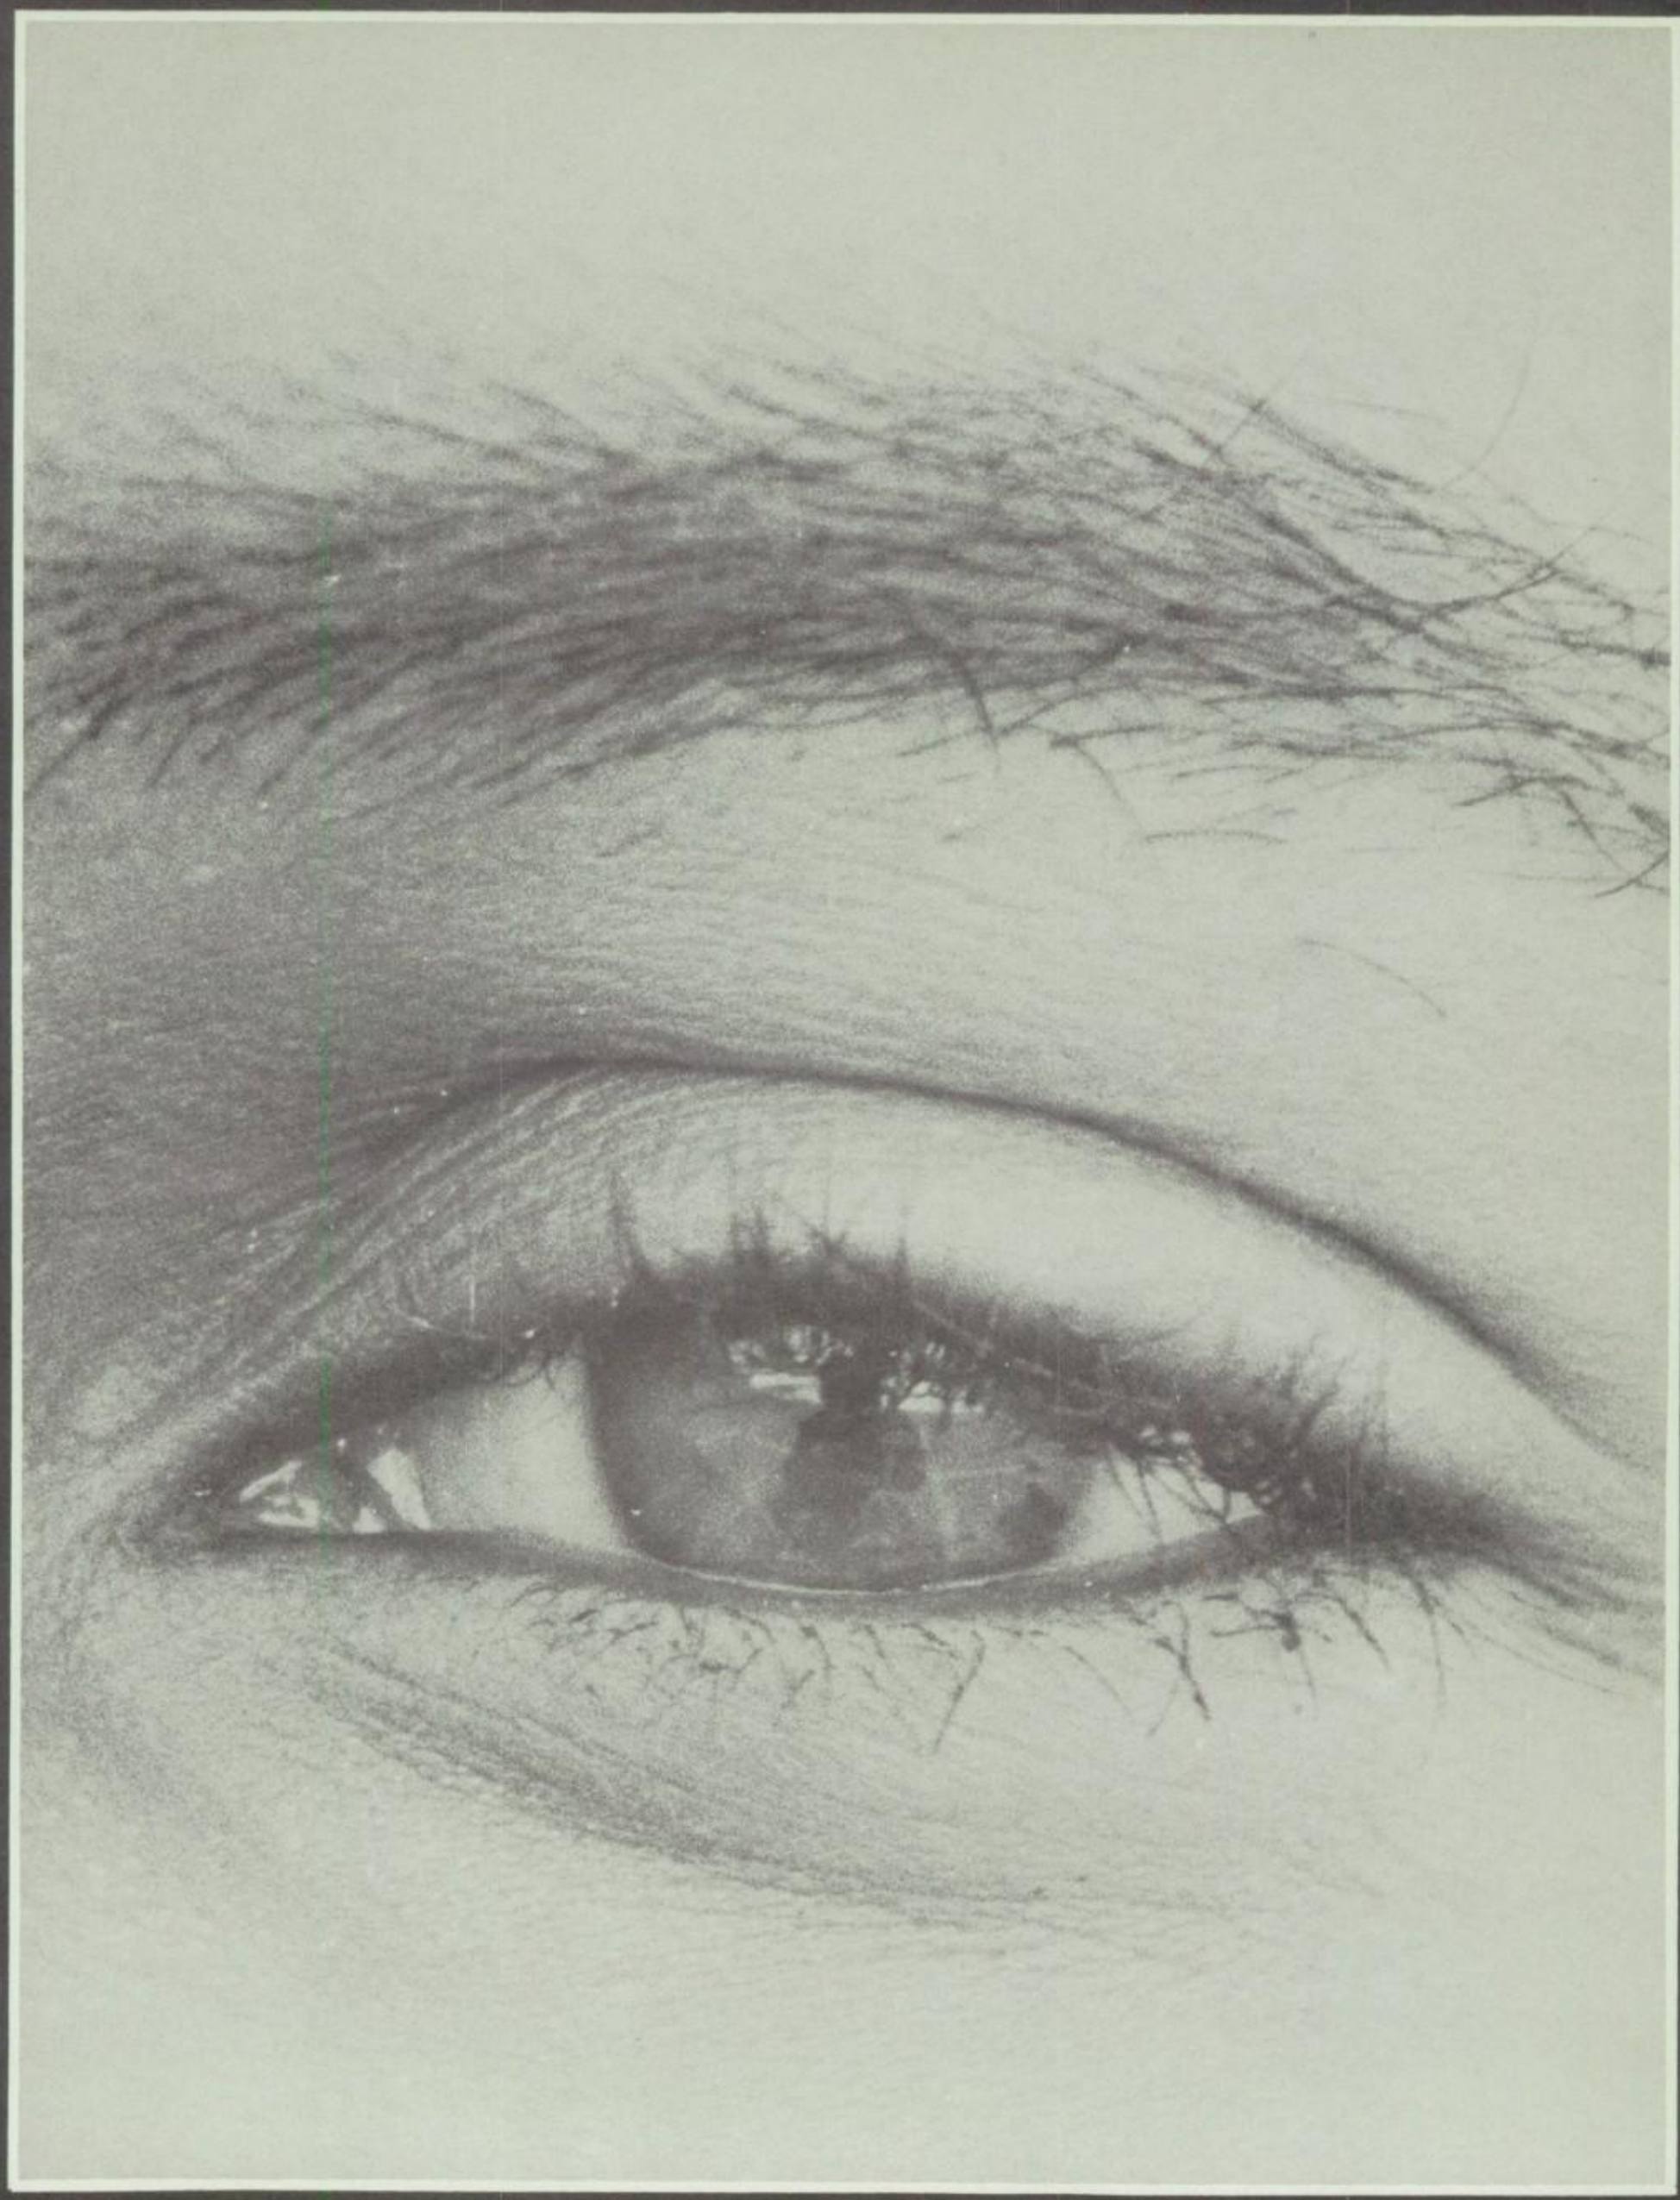
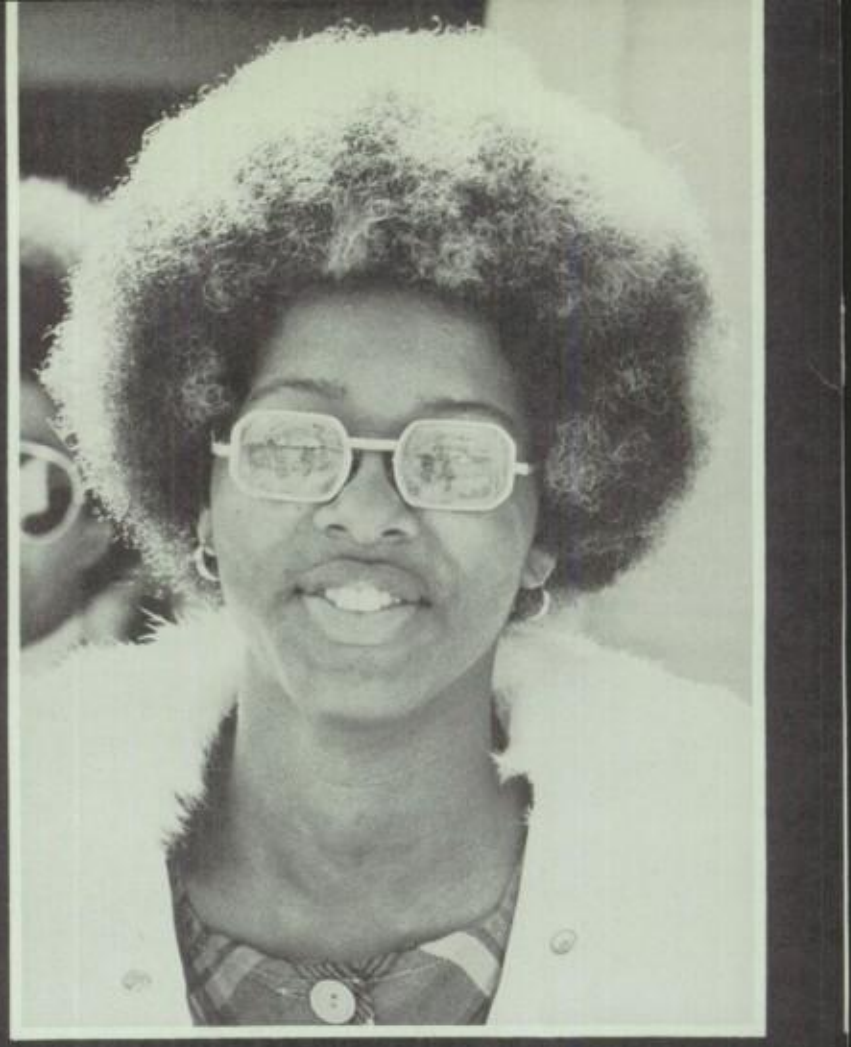
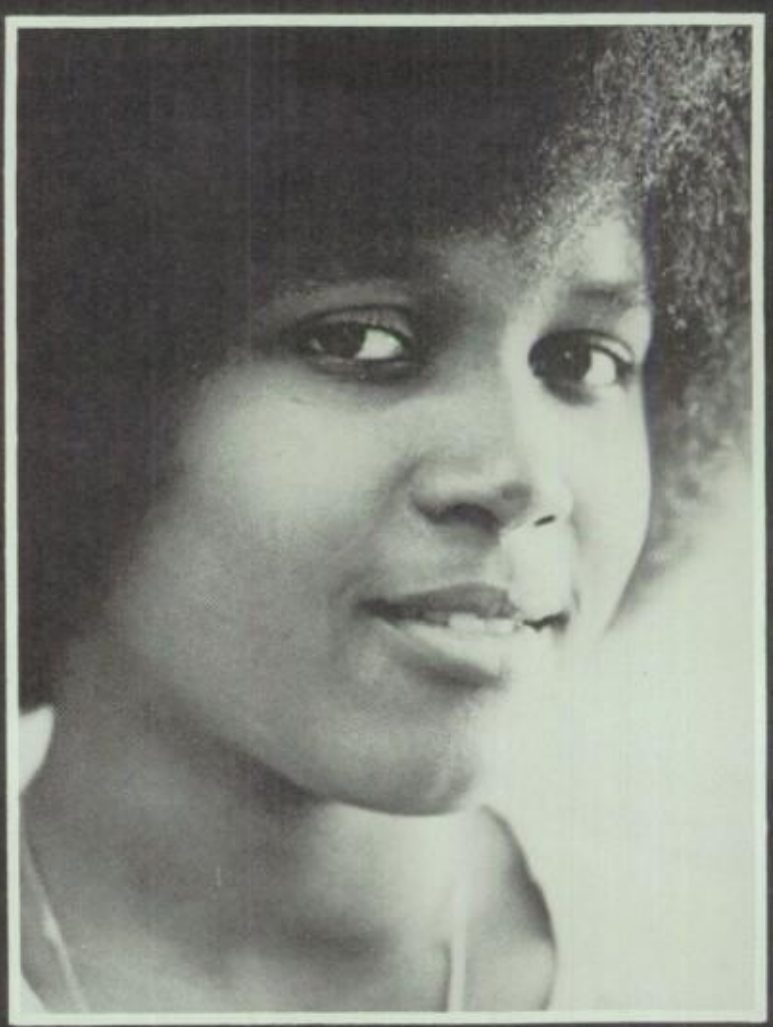
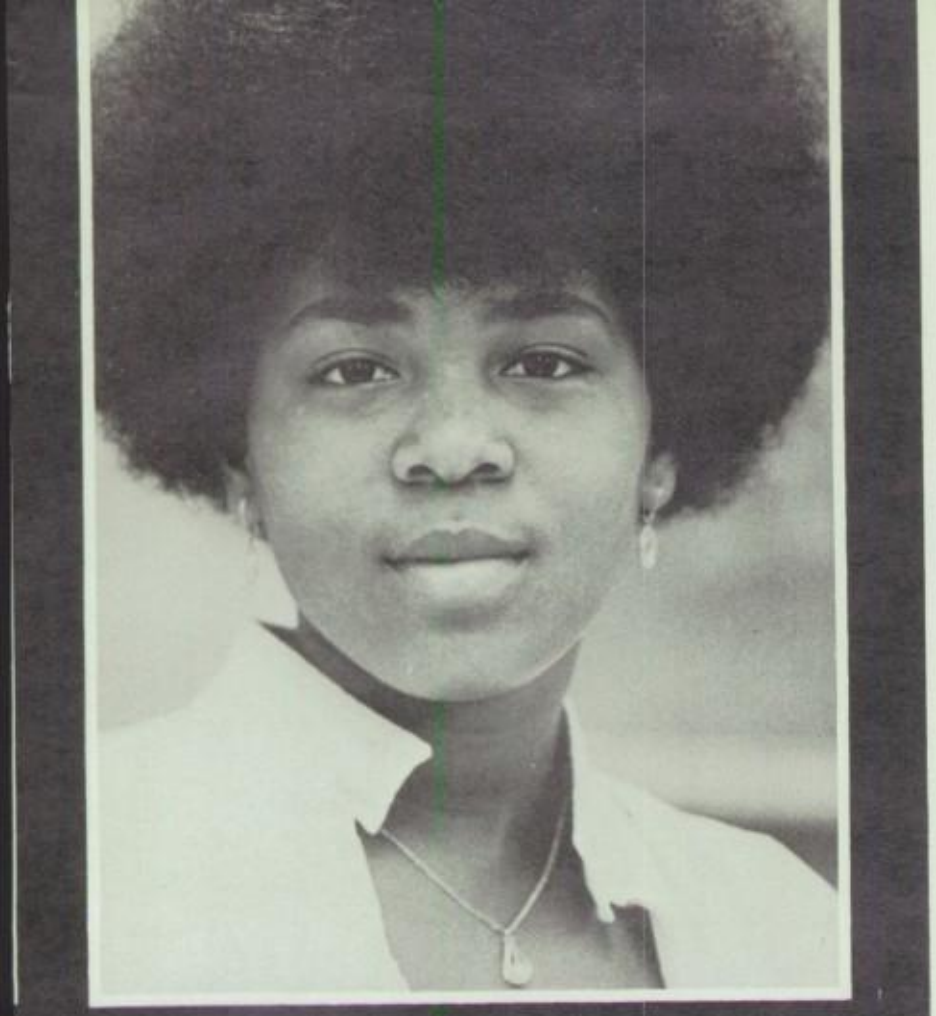
ROBERTS
STUDIOS









MR. CLAUDE MICHEA
1946-1974

Mr. Claude Michea, science teacher and former horticulture teacher here at Manual, retired in January, 1974. He will be missed by many teachers and students.

Mr. Michea's last teaching assignment was biology and health. He was born in Florence, Arizona, where he attended both elementary and high school. He was activie in all sports except football since there was no team fielded until a few years later. He was also active in school government, yearbook, and drama.

Mr. Michea attended Arizona State Teachers College at Tempe for two years, lettering in track and basketball. He continued college at University of Arizona at Tucson, at the same time teaching during the regular season, with college classes in summer school. He completed his master's degree at U.S.C., also during summer school.

Mr. Michea started his first teaching job near Phoenix for a year, then taught for 15 years as elementary principal and eighth grade teacher in Ray, Arizona. He totaled 16 years teaching from 1928-1944. Toward the end of the war, he and his family moved to National City, where he taught biology at Sweetwater High for a year and a half. He moved next to Los Angeles and taught at Manual for the next 28 years. (1946-1974)

Starting at mid-term at Manual, he taught biology in the Science Department. In 1947 and 1949, he was a sponsor for two senior graduating classes. About 1950 the agriculture instructor retired and Mr. Michea asked to be given the job although he had to pick up his horticulutre training as he went along, with workshops, institures, etc. The classes were really home gardening or ornamental horticultre.

During those early years in gardening, there was considerable space for the planting and growing of flowers and vegetables. The program was a full five-class day. As time went on, Manual had classes in floriculture for girls interested in flowers, corsage making, arranging flowers, etc.

Mr. Michea was given a place in the Counseling Office for several years, but gave that up since he needed all his time in the garden area. As time passed and things changed, the gardening space diminished, until the gardening area was reduced to only the space in back of the Business Building. Enrollment in classes dwindled until about three years ago, the agriculture classes were closed. At this time he returned to the teaching of life science and then finally to biolgyo.

Mr. Michea spent many full and enjoyable years at Manual and most particularly found much pleasure in working outdoors in the gardening endeavors of the school.

Mr. Michea says he only hopes that our young people try to realize their full potential and make use of the opportunity which is theirs for the taking.

Mr. Michea has four children: Robert and Kathy (twins) and Judy, who is married. His wife, Signa, retired from teaching kindergarten.

The students today will miss you very much, Mr. Michea, for all you have contributed to their school.
